More shock *Frozen Planet* revelations!

Nuts' investigation unearths new naughtiness!

➔ **ALONG WITH** melting ice caps and the threat of extinction, polar bears have yet more woes on their paws, what with them being embroiled in *Frozen Planet*'s "staged scenes" scandal.

Last week, it emerged a polar bear scene from the

acclaimed BBC nature documentary was filmed in a wildlife park – complete with fake snow.

Which got us wondering, what other shenanigans are these furry white warriors getting up to? We put a crack team of investigative photographers on the case, and got them tailing one of the bears from the flagship BBC TV event. As you can see from these scandalous shots, the bear's sneaky behaviour knows no bounds. *Nuts*: always first to expose corruption with the simple sword of truth and trusty shield of British fair play.

New Frankie Boyle gags!

The chirpy Scottish comic on Justin Bieber, Peter Kay, Amy Winehouse and his weird old year!

On *The X Factor*...

"*The X Factor* got into trouble for product placement. I reckon we're only six months away from product placement on the news. 'A British soldier died in Afghanistan after stepping on a land mine. Should have gone to Specsavers.'"

On controversy...

"You never see a sh*t comedian at the centre of controversy. You don't switch on the news to see, 'Peter Kay was at the centre of a storm with lactose-intolerant sufferers today with his joke about whether or not you remember Dairylea Triangles.'"

On Michael Jackson...

"The trial of Michael Jackson's doctor was typical American racism. A black man is in jail because a white man died."

On soldiers...

"British troops going into Afghanistan are now issued

with bombproof pants. That's really going to take the edge off for parents if your son has been killed in a mortar attack and you're presented with his perfectly preserved cock and balls."

On George Michael...

"George Michael's got pneumonia. *The Mirror* said he might have something called Advanced Respiratory Deficient Syndrome, known as Ards. That sounds like he's been diagnosed by a dyslexic doctor or a gay pirate. They've literally crossed the words Aids and arse."

On Occupy London...

"You can tell the police I hate Occupy London. They're posh c**ts in tents. They should send in a polar bear."

On Wayne Rooney...

"Wayne Rooney's had a hair transplant. Someone should tell him that they do faces now as well."

On Jordan...

"I got into trouble for making a joke about Jordan. So I've written a wee light-hearted joke. 'What's the difference between Jordan and a pair of curtains. Nothing. They both make the world a darker place.'"

On *I'm A Celebrity*...

"Fatima Whitbread in a bikini. It looked like they'd made her eat her own balls."

On Amy Winehouse...

"It was only the other day the grief really hit me when Ladbrokes explained for my accumulator to pay out, Gazza would have to have died first."

On Bin Laden...

"They shot Bin Laden and threw him in the sea in my favourite ever episode of *Celebrity Wipeout*."

On the riots...

"It wasn't poverty. It was criminality. It wasn't full of gentlemanly cat burglars and caddish bounders. They were b*stards looting Aldi. What's the point? You can go into Aldi with a fiver and it feels like you're f**king looting them."

On Cliff Richard...

"Cliff Richard said he'd consider committing suicide if he got Alzheimer's. The person who interviewed him didn't have the presence of

mind to say, 'You've told me that already.'"

On Justin Bieber...

"There's controversy over whether Justin Bieber has fathered a child. Bieber said, 'Judge me on my music.' Guilty!"

On teachers striking...

"They're going to make teachers work until they're 70. Imagine a 70-year-old maths teacher. 'If there are ten milk bottles on my doorstep, and they're joined by a further 12 milk bottles, how long have I been dead?'"

On Scotland...

"I forget how dim Scottish people are. I went up to Scotland and I phoned a taxi. A people carrier turned up. I went, 'Are you a taxi?' He went, 'No, I'm driving a taxi.'"

Partridge: the movie!

Secret behind-the-scenes pics reveal Alan's down on his luck!

THE LAST time we caught up with Alan Partridge, he was the mid-morning DJ on digital-only radio station North Norfolk Digital. But now, as these exclusive behind-the-scenes shots show, he's dropped off the radio radar altogether.

Steve Coogan was filming scenes for his in-production, to-date-untitled Partridge movie (out in 2012), and the unfortunate ex-celeb is now reduced to selling flowers from a market stall. With all the charm of a Russian mobster selling kneecapping, no doubt.

US Air Force tools up. Shows off. Fills an entire runway with awesome killing tech!

WE BELIEVE the technical, scientific term for this is “willy waving” as the 8th and 419th fighter wings of the US Air Force got together to indulge in a wee show of force earlier last week.

These are they, trundling menacingly down a runway in South Korea in an

“elephant walk” formation, hoping that the noisy neighbours (that’s North Korea and China) take note.

To clarify, these are 27 fully tooled-up F-16 Fighting Falcons itching to go all *Top Gun* on the nearest rogue state. By the looks of it, if a pint is slightly spilt or a missus looked at a bit funny.

EXCLUSIVE!

A quick word with Daniel Craig!

The Brit actor on *The Girl With The Dragon Tattoo*, accents and his final 007!

"But you said you wanted a skinny mocha frappe latte!"

→ Hi Daniel! *The Girl With The Dragon Tattoo* book and the rest of the *Millennium* trilogy have sold millions and millions. Did you read them before you took the job on?
Yeah, I knew the story a little and was just really impressed by the adaptation to the script. It was a really quick and good read, as the books were, and I thought, "Well, there we go. Let's have a go at doing that."

How different is this Hollywood version from the original Swedish movie?

I have no idea, I haven't seen it.

You haven't seen it?

No, I haven't seen it.

Was that on purpose?

No, I had them all lined up. I was going to sit and watch them, but this movie came along and I just didn't want my visuals clouded. I wanted my imagination to be about the book and about the script. I heard the original movie's great, but I haven't seen it.

Is it true that you originally turned it down because there was a conflict with your Bond commitments?
I didn't turn it down, no. There were just date issues. I've got a high-class problem – I've got a big franchise in the Bond films and they have to be made but, luckily, they're both Sony movies – I'm working for the same boss, so they figured it out.

Did you identify with your character, Mikael Blomkvist?

I like the character. He's flawed, he's an egotist, but he's got a very strong moral centre. He doesn't bullsh*t. He doesn't bullsh*t with women. He doesn't bullsh*t with his work colleagues. His ego gets in the way sometimes, and maybe he's got a Jesus Christ complex like most men, ha-ha! And that's his downfall.

Do you think of him as a womaniser, like Bond?

No, I don't think he's a womaniser, I think he's honest. I think he's just straightforward. He meets a woman, they have

a conversation, they admire his honesty, and they usually end up in bed with him. That's never worked for me though, ha-ha! Anyway, it seemed to work for him.

The film's shot in Scandinavia. Were you a fan of the area before you started making it?

I don't know. I'm from the UK, so we have a lot in common. We're all from the frozen north. It gets cold, it's dark for most of the year, we're depressed, we like a drink, we like singing, we like storytelling and we like scaring the sh*t out of each other. I think we've got a lot in common. I've spent time in Scandinavia before this, working and on holiday.

What about doing a Swedish accent?

I didn't really do an accent, I just really neutralised my English accent. I've known Swedes and I've known Norwegians, and I've known Scandinavians who speak better English than the English do. I didn't want to give my character an American accent, which it's quite possible that he could have had. I wanted to keep him English and as neutral as possible. We have Swedish actors in the film and they, especially the older generation, have stronger Swedish accents.

Millions of people have read the books, so this character

is super famous. What's the pressure like compared to playing James Bond?

I don't think about it, I genuinely don't think about it. There's no point. I've got plenty of other things to worry about. All I can do is take the script and take the book and take advice from David Fincher, the director, and apply what I know to it. That's all I can do. I can't please everybody. A lot of people might not like what I did, but that's the way it is.

Do you go on the internet and read what people are saying?

No, because they're really horrible most of the time!

Moving on to Bond, could this be your last Bond movie?

I don't know.

Why do you say that?

Because someone younger and better will take over at some point. It's what happens.

But it's only your third Bond!

I'm not looking to stop it. I'm just saying, if you're asking what's going to happen with Bond in the future, someone younger and better will take over and it'll be great.

But, hopefully, that's not going to happen in the near future?

Oh, you write what you want, ha-ha!

● *The Girl With The Dragon Tattoo* arrives in cinemas on 26 December.

BOND'S NEW BABE

French hottie Bérénice Marlohe lines up with Daniel Craig's 007 in the next Bond flick, *Skyfall*.

"Must. Not. Stare. At. Her. Boobs! Oh, to hell with it"

“Someone younger and better will take over as 007 at some point”

“I’ve got a bone to pick with you, Q. That razor you gave me is rubbish!”

The Girl With The Dragon Tattoo facts

Want to impress folk with your grasp of literary stuff? Let us help you out...

- ***The Girl With The Dragon Tattoo* by Swedish author Stieg Larsson is the first of three books in the *Millennium* series of crime novels.**
- To date, the series has sold more than 30 million copies in more than 40 countries.
- **Larsson was named Europe's biggest-selling author in 2010. A shame, really, as he died of a heart attack in 2004, just after he'd sent the trilogy off to his publisher.**
- The first novel's original Swedish title was "Män Som Hatar Kvinnor" – Men Who Hate Women. Weird, but the final novel, *The Girl Who Kicked The Hornet's Nest* was originally called "The Castle In The Air That Blew Up".
- **Larsson followed James Patterson to become only the second person to sell one million ebooks.**

"Think about it, Wazza, are you sure this is the car for you?"

Convertible Hennessey hypercar!

It's a 275mph, 1,200bhp bullet that would strip the hair from a Wookiee!

- This is what a Lotus Exige might look like if it became a bit partial to Human Growth Hormone! It's the Venom GT Spyder from Hennessey – a Texas-based hypercar builder hell-bent on providing the world with *the* most over-horsepowered chariots bar none.
- **With the Venom GT already in existence, Hennessey CEO Don Goldman figured**

his company should "offer our clients an even greater driving sensation". Because obviously the one thing a 275mph, 1,200bhp, 1,200kg lunatic machine lacks is a convertible option.

- The Spyder isn't exactly a proper convertible – it has a removable hard roof section above the cockpit area, which should guarantee a bit of wind noise and eye dryness

when you're doing 0-200mph in 15.3secs (the Veyron does it in 24.2secs). And it does that without even needing super-unleaded petrol.

- **The engine will be quite loud, too – as it lives behind your seat. Hennessey fits the body over a Corvette ZR1 6.2-litre V8 with twin turbos. So 62mph is reached in 2.5secs, before it heads to a top speed of 275mph.**

- There are three settings of muscle: 800, 1,000 and then all 1,200 brake horses unleashed through the back wheels. With nothing but a manual gearbox and a bag of brave pills to control them. The chassis is much the same as the Lotus Exige, which never packed more than 345bhp in even its angriest form. Good luck, then, controlling nearly twice

WORDS: JONNY SMITH

Rocket-powered Chevy!

Hennessey too pricey? Try this!

➔ IF A finely constructed hypercar is out of your budget, maybe you should copy Paul Stender. He's an American with a 10,000bhp jet engine fastened onto his humble 1967 Chevrolet Impala.

With the power of ten Bugatti Veyrons,

it'll hit 300mph, while spewing 30ft flames. Not strictly speaking safely.

Paul has previous. He's nailed jets onto a Portaloo and a school bus so far. What next for Paul's engine obsession? Skips? Dogs? Skips full of dogs? We live in eternal hope.

The budget cuts had hit Nasa hard

Now *that's* what I call a cigarette lighter

the power output boasted by a Lambo Aventado.

- A Venom GT Spyder's life begins with a carbon-fibre bodyshell, which starts off a bit like Lotus Exige's (because it is) and then gets more cosmetic re-shaping treatment than Katie Price's airbags.
- A Ferrari 599 has got 448lb per foot of torque to put down. This venomous Spyder

has more than two-and-a-half times that – 1,155lb per foot. That's so much overkill that you've either got to laugh or run home to mummy.

- Only five are being made and two have sold already, so best take the contents of your flat to Cash Converters now – because a Venom GT Spyder costs £700,300 (or \$1.1million if you live near the Hennessey boys).

New zombie game!

It's a very first look at *The Last Of Us*!

➔ **OIL UP** your excitement engine, chaps, this looks a bit special. It's a new game called *The Last Of Us*, being made by the clever folks at Naughty Dog (who do the exemplary *Uncharted* series).

Set in America years after an apocalypse, it's a survival horror and the tale of Joel (beardy chap) and Ellie

(14-year-old lass) who move from city-to-city scavenging and scraping to survive among decay and the threat of infected human enemies.

It's annoyingly promising. Annoying, because it'll be at least next Christmas before we get the chance to have a go on this PS3 exclusive.

● See the trailer at nuts.co.uk

FIGHT FOR SURVIVAL

It's about doing what it takes to stay alive: scavenging, exploring and killing – both infected monsters and desperate humans who'll kill for a couple of bullets.

ZOMBIES! KINDA...

Enemies are humans infected with a mystery fungus, hence a strange, organic look and weird mutations as they're half-human, half-fungus, but fully terrifying.

AVOIDING FLASHPOINTS

With many enemies, and few bullets, you'll often be trying to avoid conflict, as the fast-moving zombies will take a lot to down and ammo will be precious.

Wear these boobs!

Free new app lets you don Holly's chest!

WHO AMONG us hasn't dreamed of wearing Holly Peers' boobs? OK, so maybe it's just us, but now our fantasy can become reality with Blippar, a clever free app that acts like a magic lens on your smartphone to bring cool stuff – like the pages of *Nuts* magazine – to life!

It's available free from the Android and Apple stores, so just download

it, fire it up, point your phone's camera at Holly's pic, **Blipp it and you'll get her boobs in slightly comical (and conical!) 3D on your phone, which you can then photo-booth yourself into.**

There's loads more you can do with Blippar too, and in next week's *Nuts* you'll get an even bigger idea of how clever it is.

For now, though, here are Holly's boobies in glorious 3D wobbliness.

A RUINED WORLD

In the trailer, Ellie comments that this broken America is all she's ever known, so this dire situation's existed for decades, hence the overgrown cities.

Jim's 2012 predictions!

What will and won't happen to us all next year!

➔ WELL, IT'S almost the end of 2011 and what an uneventful year it's been. It's hard to think of anything that's happened. Some guy got himself shot in Pakistan, a prince married a bird with a fairly f**kable sister, the US shut down its space programme and Man City proved that money can buy you happiness. But all in all, 2011 was a dead rubber. The good thing is, I have high hopes for 2012. London hosts the Olympic Games. Now, we all know there's no way in the world that this will go smoothly, but it's going to be great to watch. My prediction is that the UK will get more

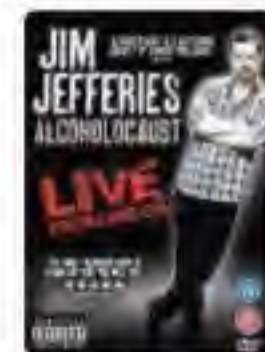

medals than ever before, but most of them will be stolen from American athletes lost in the East End. And here are some more things that will happen in 2012...

- England's football team will be "disappointing" in the European Championships.
- Americans will vote in their first black, gay, Asian, lesbian President.
- Doctors will find out that cigarettes are actually good for you.
- Fulham will come from behind and win the Premier League. Stop laughing, you c**ts!
- Mark Chapman, the man who shot John Lennon, will be released from prison and will immediately shoot a member of One Direction.
- Katie Price will write two more autobiographies, which will help us to appreciate just how irrelevant she really is.
- Actress Megan Fox reveals to the world that she was actually born a man. I decide that I still would.
- Jesus will make his Second Coming and it will turn out that he's a bit of a preachy c**t, and so we'll kill him

again. This, in turn, means there'll be a second Easter and we'll all get another four days off work, so everyone's over the moon.

- The Germans try to start the Third World War but give up after they find they can't take over Poland.
- The banks will have a change of heart and give their government bail-out money to all the little people they f**ked over.
- The X Factor's Louis Walsh will tearfully come out as being straight.
- Nuts replaces the Bible as the most-read piece of literature in the world.
- Well, I've enjoyed writing this column every week of this uneventful year. Next month, we can all look back and see if I got any of my predictions right. That, of course, is if the Mayans' prediction of the end of the world isn't right and we're not all f**king dead. Good luck, everyone!

Engineer shakes hands with some heavy duty machinery!

→ **GOLF FANS** know that a hole in one is a highly desirable thing – but when the hole in question is caused by an industrial drill, and the "one" happens to be an unfortunate bloke's hand, it stops being so nice. In fact, as you can see, it's pretty horrid.

Nuts reader Steve Oldroyd, a telecoms engineer from Harrogate, found himself being

introduced to the sharp end of a metre-long active drill bit and suffered this rather spectacular bit of hand-goring when a job went wrong one day.

"We were drilling holes into a wall to push cables through," Steve tells *Nuts*. "To get rid of the dust that flies up, I was vacuuming near the hole when the drill bit snapped off and pierced my right hand.

"Within 20 minutes I was in hospital, dosed up on morphine so I didn't feel a thing. The worst part was having to wear a daft Michael Jackson-style glove for weeks afterwards."

Unstoppable Steve was, incredibly, back at work the following day – though presumably he didn't high-five everyone when it was time to knock off and go to the pub.

I get really nervous around women I fancy. When I'm out with the lads, I can banter with the best of them but when it comes to dealing with a girl, I'm useless. I become incredibly shy and just babble! Can you help?

LEE via email

Just be yourself. Ask her about herself and show an interest. If you find a girl who responds and you like, ask her out – but be honest and say you're a bit nervous. She'll like that.

She's let herself go!

When I first started dating my girlfriend, she was a stunner. Now we've been together a couple of years, she's really let herself go. She hardly ever wears make up, has put on weight and barely even combs her hair any more. I find it

I've got a third nipple and I find it really embarrassing. It's so big that every time I take my shirt off when I'm with a girl, it's the first thing they notice. Some have even burst out laughing and aren't able to get off with me because of it. I've become really self-conscious about it but I'm terrified by the idea of having surgery to get it removed. Do you think I'm just being a bit silly?

NIAL via email

Basically, yes. It's a minor surgical procedure and you'd feel much better if you had it done. Now, if you had three balls or two c*cks that would be a different matter!

a huge turn-off but I'm not sure how to tell her without hurting her. What should I do?

DEAN Birmingham

You should tell her, because it'll only get worse. But are you sure you haven't gone downhill yourself? It sounds as if she's

taking you for granted, but these things cut both ways. Are you treating her properly? Give her the chance to put her point of view across and you should both benefit. By the way, when you tell her, don't say her bum looks big, even if it's true!

My missus fancies you!

Recently my other half confessed that sometimes when we're having sex she imagines she's doing it with you! I don't know what to think. Does she just fancy you, is it a fantasy or do you think this is her way of telling me she's more interested in ladies?

MICKEY Manchester

It's likely to remain a fantasy, although I've been told I'm fanciable. Send me her details. Otherwise, find another woman who's up for a threesome or maybe a one-on-one lesbian experience while you watch!

**"I can't stop

Lucy

Hi Lucy! What do you make of today's line-up of new girls?
Hello! I think they're awesome. I can't get over all the boobs, and I keep staring at the twins! Just the fact that there are two of them is amazing.

Has anyone stood out for you?
I think I'm in love with Nicole. They're all gorgeous but I'm rather taken with her.

Does it make you proud that all the girls look up to you?
Yeah, it's nice. I thought it'd make me feel a bit old but it feels nice. I really like getting into the cool, big sister role.

Do you think you've got a bit of stiff competition?
Yeah, but I think there's room in *Nuts* for lots of lovely girls and lots of lovely boobies! Everyone assumes we're really competitive but actually, all the girls are such good friends.

Do you all have naked pillow fights and stuff?
Ha! Not quite. But we hang out lots. Emma Glover's arranged a "boob troupe" night out with nearly every *Nuts* girl!

What's been the sexiest moment of 2011 for you?
Probably when I had a bath with Rhian Sugden and my friend Freya. Someone took a picture and it's really cute.

Who's been your hero of 2011?
I like Sebastian Vettel. He basically won nearly every race of the Formula One season!

Do you have any advice for our new girls?
Just enjoy it and don't take it too seriously. We get to do some really cool stuff and we bring so much joy to people.

Do you have a New Year's message for the *Nuts* readers?
Just thanks! We'll carry on doing lots of sexy shoots and finding beautiful girls for you next year. Roll on 2012! ►

"I'm rather taken with Nicole. I think I love her!"

**“I have a
naughty side
that no one
really knows
about!”**

Nicole Neal

Hi Nicole! How are you enjoying the shoot today?

Hello! It's really nice to be here. Everyone's really friendly. It's kind of like a big party with the most sexy girls I've ever seen in one place!

Is it exciting to be around all these lovely boobs?

I'm starting to get used to it and I think that's a really odd thing. But seeing naked people is the norm for me now.

Who's impressed you the most?

Well, obviously Lucy, but everyone I've met has been nice. There are stereotypes of models but they're nothing like what you'd expect. They're all down to earth and sweet.

Can you tell us a little bit about yourself, please?

I'm at Bournemouth Uni doing fine art. Art students have a bit of a reputation for being wild but I'm really well behaved. I'm a geeky girl!

What's your geekiest trait?

I don't know. I get my head down and get my work done, but then I have a naughty side that no one really knows about.

Any hidden talents?

I dance. I do tap and modern. That whole *Strictly Come Dancing* thing has got me wild for it! I'd like to be on the programme one day. How amazing would that be?

Thanks, Nicole! Finally, as we approach 2012, do you really think the world will end?

There's always some day every year that's supposed to be the end of the world! It's not going to happen this time and it's not going to happen next time. Just enjoy yourselves! ►

Lucy says:

"Nicole's a blonde bombshell. I really love her look!"

ULTIMATE 2012 PREVIEW!

**"I always sunbathe
topless. I'd rather be
naked than in clothes!"**

Danni Brooks

Hi Danni! Welcome to *Nuts*! How are you enjoying today's photo shoot?

Ah, hello! I love it – it's so much fun. I love being with Lucy Pinder, too – I think she's wicked. She's the only person who I genuinely idolise, and she's definitely my favourite ever *Nuts* babe!

How are you coping with all the nakedness today?

It's not that overwhelming. I don't mind getting naked. I prefer to be naked than with clothes on, actually. Ha! I'm naked everywhere, to be honest. I'll always sunbathe topless and stuff.

So how would you describe yourself to the readers of *Nuts*?

I'm really funny and bubbly, and I'm told I say stupid things quite a lot. I'm definitely a true Essex girl. I guess I'm a bit like *The Only Way Is Essex* lot, really. Frankie from the show is, like, my best mate!

Do you think you might you be a future star of *TOWIE*?

Yeah, definitely. Well, I mean I'd probably like to be! I might try out for it next time, but I'm gonna try to do some more modelling first. I want to go in there as a well-known model rather than just being some girl from Essex.

Thanks, Danni! Finally, do you have any hidden talents we should know about?

I like kickboxing! I know it's a bit random but it's a really good way to keep fit. Plus, it would mean I could totally beat up a guy if he became all sleazy on a night out. No one messes with me. Ha! ▶

Lucy says:

"She's a firecracker with a really sexy, kissable mouth!"

"I'm really funny and bubbly. I'm a true Essex girl!"

ULTIMATE 2012 PREVIEW!

**“It’s nice to
do a shoot
with such
sexy babes!”**

Emily Shaw

Hi Emily! Welcome to *Nuts*. So, is this your first big modelling break?

Hello! I've been modelling for about a month, but this is the first big thing. It's been nice to do stuff with such sexy babes!

How does it feel to be tipped as one of 2012's hottest girls?

I don't want to get my hopes up too much, but the thought that I could one day reach the level that Lucy Pinder has reached gets me so excited.

Tell us a bit about yourself.

Well, I'm from Surrey, I'm 19 and I've got 32FF boobs! When I'm not modelling, I'm a make-up artist. I'm pretty wild, too!

Does that mean you're pretty wild on a night out?

You know when you're drunk, you get an idea and then you just do it? I'm like that!

Describe a typical night out?

There'll just be loads of dancing and we'll always flirt with barmen. I've done a lot of bar work so I know how to get served first and blag a drink.

Who's your favourite *Nuts* babe of all time?

Sabine's my idol! She's the first *Nuts* girl I met. She was so nice to me and then I found out how much everyone loved her. Then I thought, "That's who I want to be like!"

Thanks, Emily! Finally, how could a chap make a good impression on you?

Make an entrance in some way. I don't care if it's falling over or hitting your head, just make some sort of entrance so that I remember you for a reason! And be funny. I love funny people. Looks don't matter! ►

Lucy says:

"Emily has a gorgeous figure with fab boobs!"

"I love funny men – looks don't matter!"

LAURA!

KLAUDIA!

Klaudia and Laura Badura

Hi girls! We've seen you briefly before in *Nuts*, but tell us a little about yourselves.

Laura: Hello! It's great to be back. I live in Harrogate and I'm 19-years-old. And you may have noticed I've got a twin!

Klaudia: That's me! We're both from Poland, but we've lived in Yorkshire for a few years.

Amazing! What do you make of the Harrogate nightlife?

Laura: Well, Harrogate's quite small, so there aren't that many great places to go out.

Klaudia: It's not the same as London! When we get a chance, we like going out down there.

How are you enjoying the photo shoot today?

Klaudia: So, so much fun!

Laura: Yeah, it's been very cool. We've seen lots of naked girls.

Is it the first time you've met our lovely Lucy Pinder?

Klaudia: It is, and I'm so pleased. She's my favourite model in the world.

Laura: She's so good at what she does, and so very pretty.

Have you been tempted to play any identical twin tricks on the photographer today?

Klaudia: Not today. I guess it's a bit too busy for that.

Laura: Sometimes at school we'd do it, and we'd always trick our boyfriends.

Thanks, girls! What are you looking forward to about 2012?

Klaudia: Being in *Nuts* again! I can't wait to see this in the shops to begin with.

Laura: Yeah, then much more of us next year! ▶

ULTIMATE 2012 PREVIEW!

**"I'm already getting
recognised after being
in Bedroom Babes!"**

Stacey Poole

Hi Stacey! How does it feel to be with *Nuts*?

It feels amazing, partly because I didn't think I'd ever get a chance to meet Lucy Pinder. I'm a bit star-struck.

What do you make of the other girls here today?

I've met them all and they're lovely. Hopefully we'll meet up at other shoots in 2012.

What's it like being surrounded by so many sexy girls?

It is very different to what I've done before. Usually, it's just a camera and me. With all the girls here I find it's a fun day.

What's been the funniest moment of 2011?

Oh my God, it was earlier on! Me and one of the girls from today were stood outside and a pig just walked across the road in the middle of the city!

Random! You're from Barnsley. Are you a feisty Yorkshire lass?

You could say so! Hopefully people back home will be proud that I'm flying their flag!

You might get recognised.

When I'm on my lunch hour at work, people come up to me. That was only after doing the Bedroom Babes, so they're already doing it.

How do you think other people would describe you?

They'd probably think that I'm fun, quite outgoing, confident and up for a challenge.

Thanks, Stacey! Finally, would you jump out of a plane with your boobs out for *Nuts*?

I'd love to jump out of a plane! I keep hinting so someone will get me one of those activity days for my birthday! ▶

“I'd love to jump out of a plane with my boobs out!”

Lucy says:

“Wow! Stacey really has truly amazing boobs!”

ULTIMATE 2012 PREVIEW!

"Oh no! I forgot
my spider boots!"

THE AMAZING SPIDER-MAN 4 JULY

Who's in it? Andrew Garfield, Rhys Ifans, Emma Stone

What's it about? A reboot sends Spidey back to high school.

Alex says: "It's been four years since *Spider-Man 3*. People say it's too soon to reboot, but Garfield's exciting, Stone is gorgeous as Gwen Stacy and Ifans' Lizard looks great. And this time, Spider-Man swings through New York in 3D!"

ALEX ZANE'S

COOLEST NEW MOVIES!

Sky's top film buff introduces all the big-screen
blockbusters you'll be queuing up for in 2012!

"Never go back to a lit sparkler... ouch!"

THE SITTER 20 JANUARY

Who's in it? *Jonah Hill, Ari Graynor, Sam Rockwell*

What's it about? A spot of babysitting goes horribly awry.

Alex says: "This is Hill's last fat movie – he's really thin now. He plays a babysitter who gets an offer of hot sex with this girl in a bar, so he takes the kids with him and ends up getting chased by psychotic drug-dealer Rockwell!"

"We have to take the stairs? No chance!"

THE AVENGERS 27 APRIL

Who's in it? *Robert Downey Jr, Chris Evans, Scarlett Johansson*

What's it about? Iron Man, Hulk, Thor and Captain America all in the same film! What more could you possibly want?

Alex says: "It has to be huge. Thor's brother Loki is the villain, but there's an alien race to save Earth from as well. Question is, with so many characters, who are they going to focus on?"

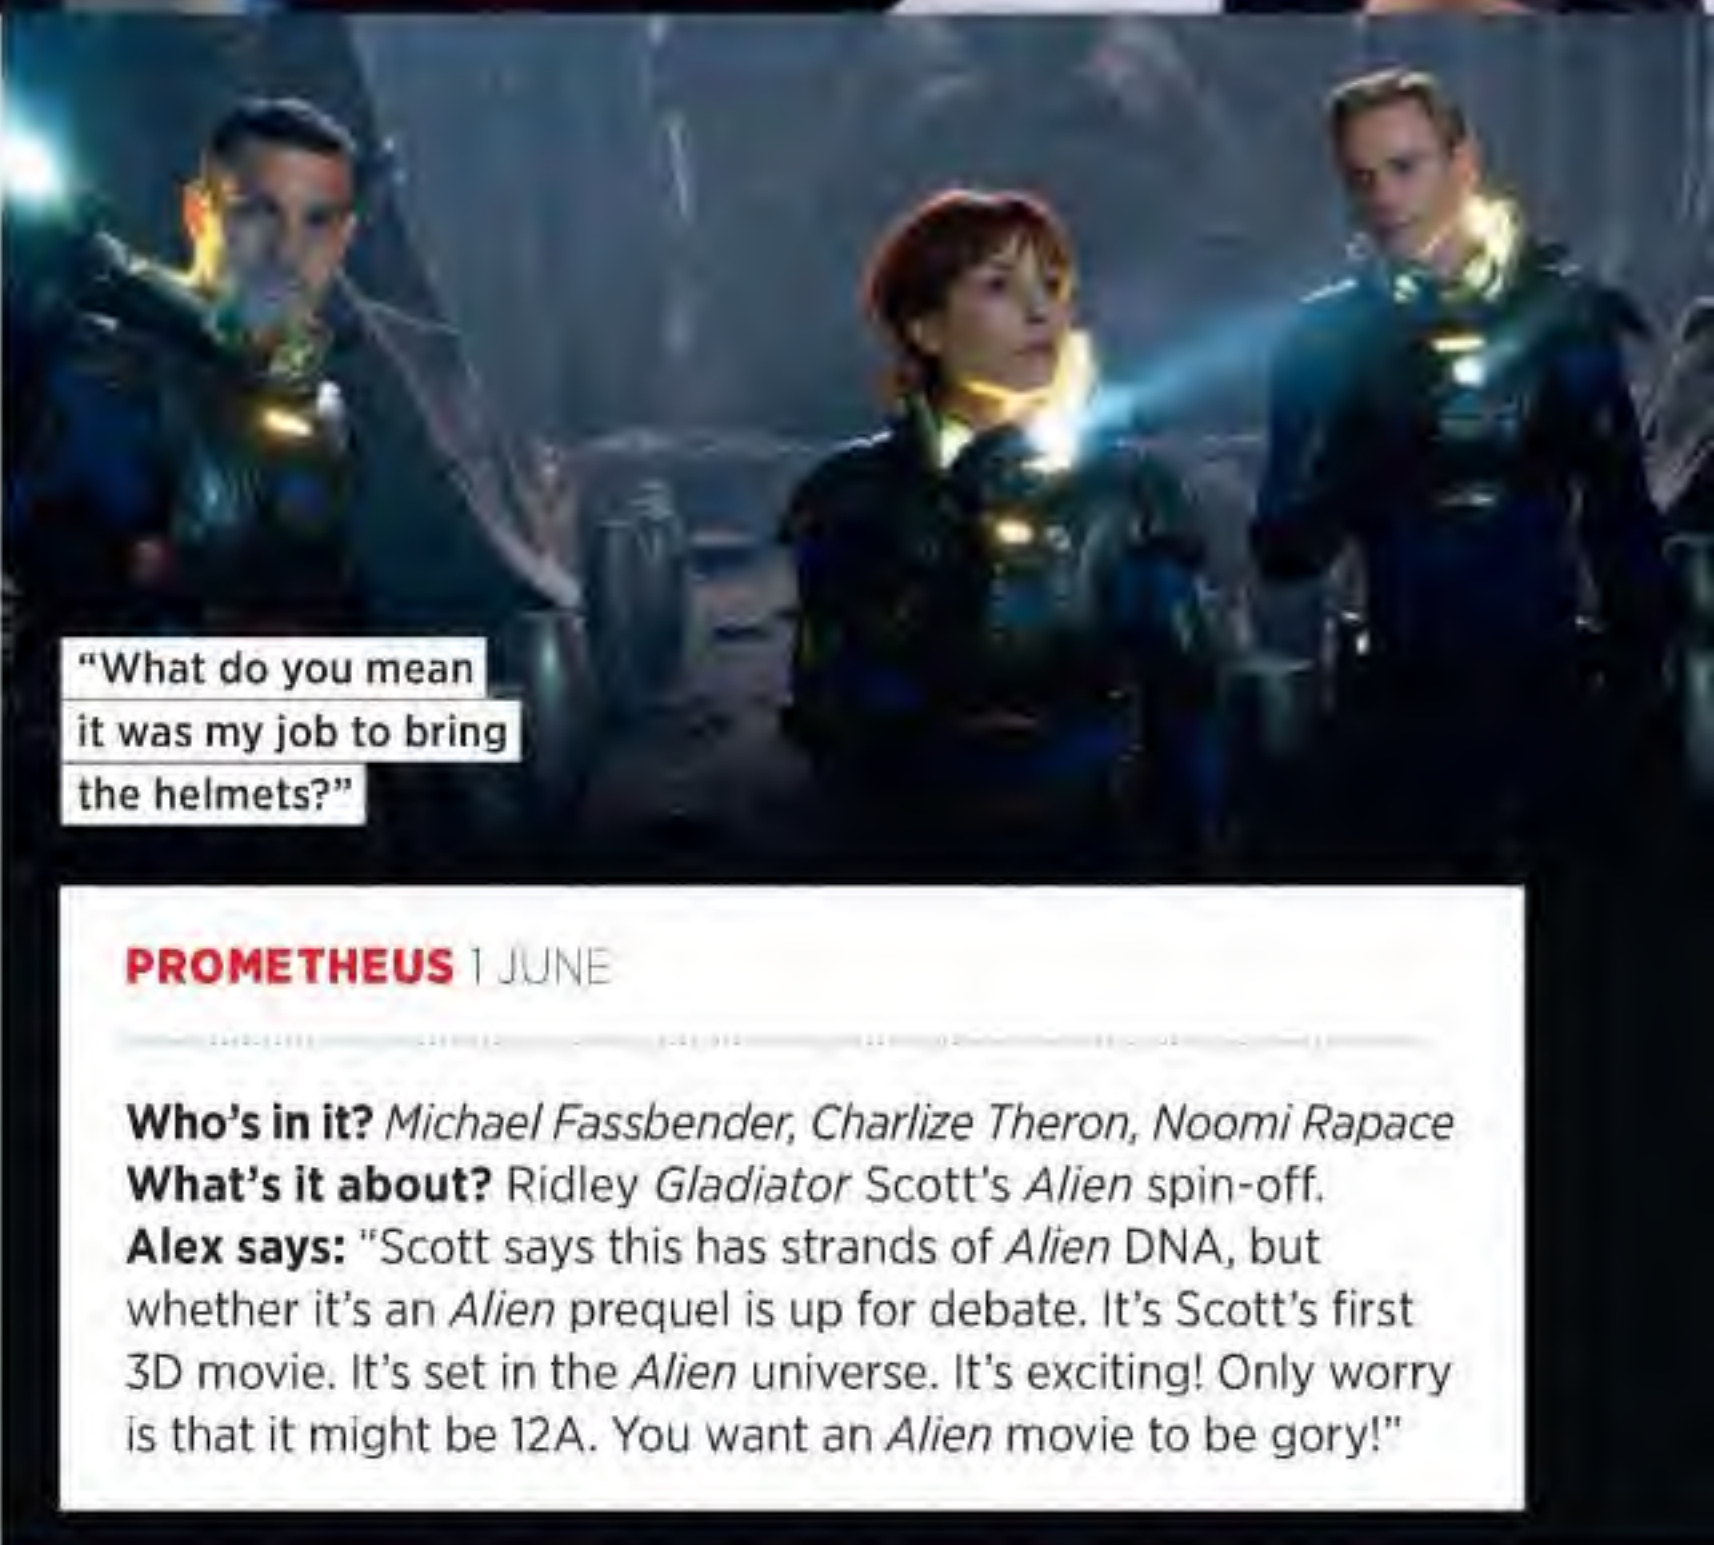

He needed to talk to his girlfriend about bikini lines

THE DICTATOR 18 MAY

Who's in it? *Sacha Baron Cohen, Megan Fox, Anna Faris*

What's it about? Jokingly based on the romantic novel *Zabibah And The King* by late Iraqi tyrant Saddam Hussein!

Alex says: "Borat was very good. *Brüno* wasn't. Now, Cohen plays a dictator fighting to stop democracy in a country that he's successfully oppressed. It couldn't come at a better time."

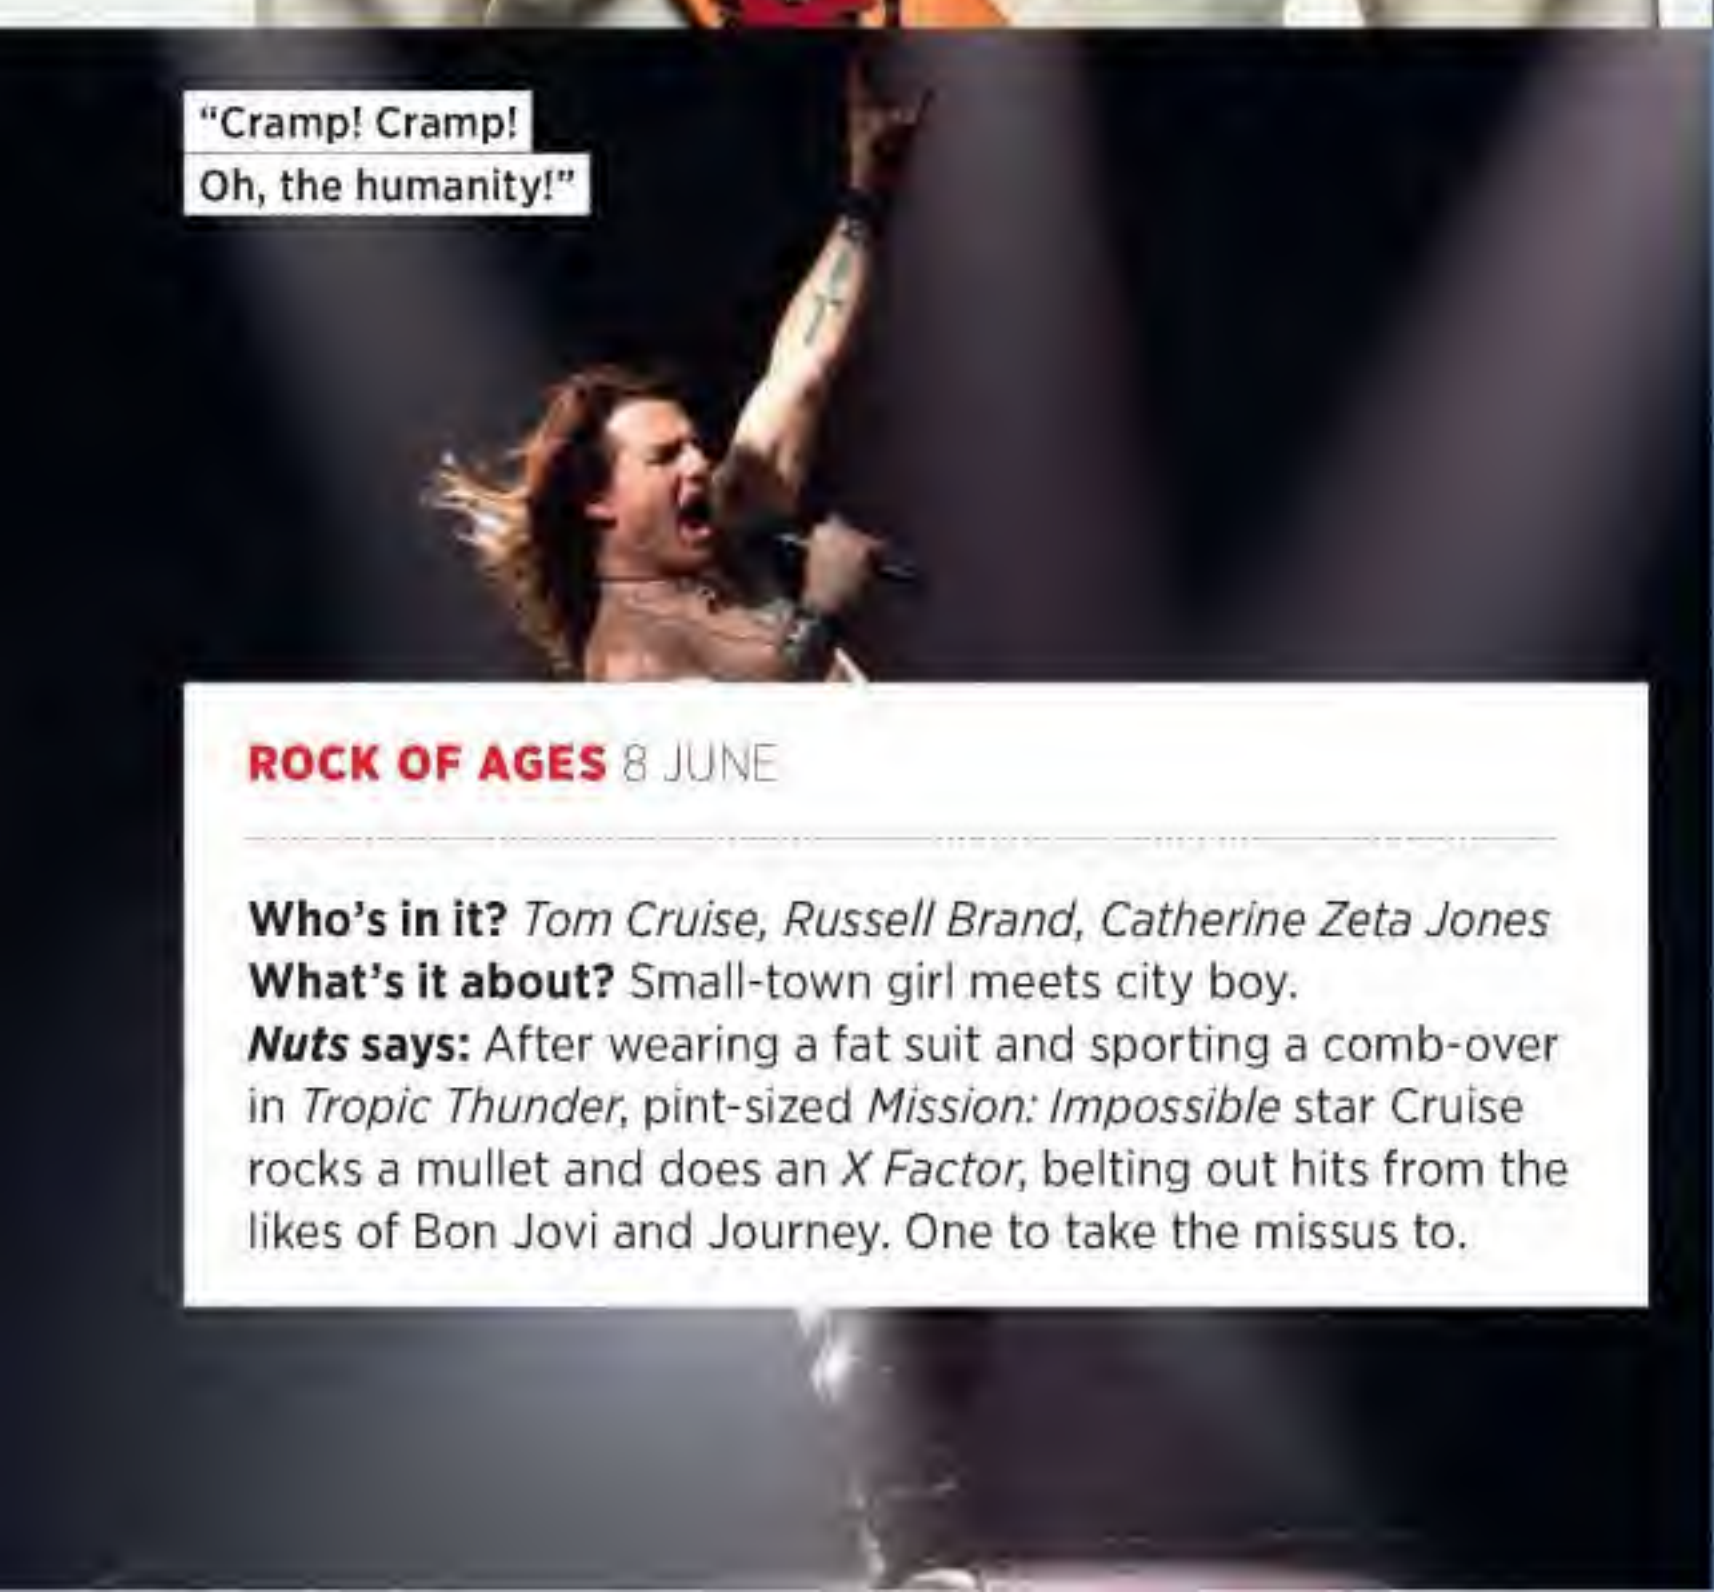

"What do you mean it was my job to bring the helmets?"

PROMETHEUS 1 JUNE

Who's in it? *Michael Fassbender, Charlize Theron, Noomi Rapace*

What's it about? Ridley *Gladiator* Scott's *Alien* spin-off.

Alex says: "Scott says this has strands of *Alien* DNA, but whether it's an *Alien* prequel is up for debate. It's Scott's first 3D movie. It's set in the *Alien* universe. It's exciting! Only worry is that it might be 12A. You want an *Alien* movie to be gory!"

"Cramp! Cramp! Oh, the humanity!"

ROCK OF AGES 8 JUNE

Who's in it? *Tom Cruise, Russell Brand, Catherine Zeta Jones*

What's it about? Small-town girl meets city boy.

Nuts says: After wearing a fat suit and sporting a comb-over in *Tropic Thunder*, pint-sized *Mission: Impossible* star Cruise rocks a mullet and does an *X Factor*, belting out hits from the likes of Bon Jovi and Journey. One to take the missus to.

"I'd kill for some strawberry lip balm"

SKYFALL 26 OCTOBER

Who's in it? *Daniel Craig, Ralph Fiennes, Javier Bardem*

What's it about? Bond's loyalty to M is tested...

Alex says: "Kate Winslet's ex Sam Mendes directs as M's past comes back to haunt her and MI6 is attacked. I didn't think *Quantum Of Solace* was nearly as good as *Casino Royale*, but this is a fresh, exciting new start for Bond." ▶

Brad realised his car insurance had lapsed

WORLD WAR Z TBC 2012

Who's in it? Brad Pitt, Matthew Fox

What's it about? Pitt's writer interviews zombie survivors!

Alex says: "Based on Max Brooks' [son of director Mel] book, this has Pitt as a UN investigator interviewing the survivors of a global zombie swarm. The film will be epic – this could be the first Oscar-worthy zombie movie, if the rumours are true."

His *Come Dine With Me* score wasn't looking good

THE HOBBIT: AN UNEXPECTED JOURNEY 14 DECEMBER

Who's in it? Martin Freeman, Andy Serkis, Ian McKellen

What's it about? Peter Jackson delivers goblins, orcs and wizards on Bilbo's quest to reclaim stolen Dwarf treasure.

Nuts says: *The Office* bloke Freeman dons the pointy ears and big hairy feet as the young Bilbo Baggins in part one of the prequel to rule them all. Second breakfast, anyone?

"Just keep smiling..."
"But my back's killing me!"

THE EXPENDABLES 2 17 AUGUST

Who's in it? Sly Stallone, Arnold Schwarzenegger, Bruce Willis

What's it about? Jean-Claude Van Damme goes bad.

Alex says: "*The Expendables* was the best action cast ever. *The Expendables 2* will be even better. Chuck Norris and Van Damme are involved. It's basically every action star ever! Sly directed the first; this time *Con Air*'s Simon West is in charge."

"Wright-Phillips, what have you done to your hair?"

THE BOURNE LEGACY 17 AUGUST

Who's in it? Jeremy Renner, Edward Norton, Rachel Weisz

What's it about? A new brainwashed agent is out for revenge.

Alex says: "No Matt Damon. Jason Bourne isn't in it. Tony Gilroy, who wrote the last two, is directing. Jeremy Renner from *The Hurt Locker* and *The Avengers* takes over. It's in Jason Bourne's universe and it follows on from the last movie."

"Yes, I'm sure I remembered to turn the gas off"

THE DARKEST HOUR 13 JANUARY

Who's in it? Emile Hirsch, Olivia Thirlby

What's it about? The makers of *Wanted* pitch a group of teenagers against an alien attack on the streets of Moscow.

Nuts says: "Expect loads of cool action. Fans of *Skyline*, *Battle: Los Angeles*, *Independence Day*, (and of sexy brunette Thirlby from *Juno*) will love this!"

It was one seriously swanky arcade

21 JUMP STREET 16 MARCH

Who's in it? Jonah Hill, Channing Tatum, Ice Cube

What's it about? A pair of rookie cops are sent undercover in a high school to bust a drugs ring but end up partying instead!

Nuts says: "Look out for blonde hottie Brie Larson and a cameo from Johnny Depp, the star of the old-school '80s TV show the movie is based on."

Christian Bale talks to *Nuts*!

The Dark Knight Rises star keeps us up to date...

Hello Christian! *Dark Knight Rises* is the last time you'll play Batman.

Are you going to miss wearing the rubber?

Yeah, definitely! For all the discomfort and the heat, sweat, headaches and everything from it, when you sit back and watch the movie, you go, "Well, that's f**kin' cool!" I'll miss the rubber!

Do you get it on with Anne Hathaway's Catwoman?

I can't tell you anything about that just yet.

You're not giving very much away!

There are a lot of new discoveries and truths coming out, and the whole question of what's the correct thing to do. Continue with lies to make people feel good or have the truth come out and devastate people?

What's it like working with Tom Hardy?

He's a really fascinating actor. He's going to be creating some wonderful characters over his career, as he's doing with Bane. He's just gleeful coming into work every day. He's the real deal. I'm very impressed with him.

● *Alex Zane presents 35mm on Sky Movies and Sky 1. The Best Of Rude Tube is out on DVD.*

THE DARK KNIGHT RISES 20 JULY

Who's in it? Christian Bale, Tom Hardy, Anne Hathaway

What's it about? Batman faces gas mask-wearing Bane...

And Hathaway plays Catwoman. In a tight rubber suit. Miaow!

Alex says: "It's all about Tom Hardy as Bane. This final part of Christopher Nolan's trilogy is rumoured to follow the story of the *Knightfall* comic, where Bane breaks Batman's back." ►

"Ha! And people say my outfit looks silly!"

ETTA BOND

[SOUNDCLOUD.COM/ETTA-BOND](http://soundcloud.com/etta-bond)

"Etta is a singer in her 20s. Labrinth produced a lot of her record, so you know it's going to be great. She's got the pipes of an angel. She sings on Wretch 32's *Forgiveness* as well."

THE WEEKND

[THE-WEEKND.COM](http://the-weeknd.com)

"A young Canadian whose EP, *House Of Balloons*, was absolutely beautiful. If Prince was born in the '90s, was loved up in the noughties and then made his own album, this is what he'd sound like!"

NEW GAMES CONSOLES

"Forget unlikely rumours of an Apple console, more exciting are the advances that Kinect are making. The ideas they have could change the very fabric of home entertainment. Somewhere down the line, you'll be able to pass the ball to Wayne Rooney then dash for the return pass. The potential is endless."

NET-CONNECTED TVS

"If the likes of Google step up, then the way we watch TV will change. YouTube (owned by Google) have launched youtube.com/movies through which you pay to watch new releases online. If internet firms commit to it and home connections improve, then net-connected TVs could be the story of 2012!"

GLASSES-FREE 3D TVS

"I've just tried a 55in nano 3D TV by LG. It's a colourful, rich 3D experience, which shows genuine progress. Play a two-player racing game on this and you'd get the view from your car, while your mate on the same sofa watching the same screen is getting the view from his car, both full-screen."

SONY 3D PERSONAL VIEWER

"A top-notch immersive viewer that offers the closest you can get to a 3D cinema experience, outside of a cinema! Get your head around this: the viewing range is only a metre, but it simulates a 700in movie screen, seen from 20 metres back. Well done, Sony!"

FULL HYBRID ELECTRIC CARS

"There's no doubt that many half-hybrid models will be upgraded to full-hybrid electric engines. Toyota are launching the Plug-In Prius, for example, which can fully charge in just over an hour. But I still struggle to see eco motors becoming a mainstream phenomenon." ▶

I'm A Celebrity...
2012 was a smidge
more challenging

TOMB RAIDER Autumn 2012 *PS3, X360, PC*

"Intriguing reboot as a younger, more fragile Lara is shipwrecked on a brutal island inhabited by whooping, mental natives. It's as much about surviving the elements as fighting off the terrifying locals, with the puzzles based around escaping environmental traps. One thing's for sure, with a brand-new graphics engine, this does look pretty."

HOTTEST NEW GAMES!

The *Gamesmaster* writer and presenter of online videogame show *The Blurb* picks next year's top games!

ADDITIONAL WORDS: RORY BUCKERIDGE

MAX PAYNE 3 March 2012 *PS3, X360, PC*

"Rockstar's tortured, vigilante cop lays his hat in Sao Paulo – the murder capital of the world – to work security for wealthy locals. Of course, it all goes sideways as he's caught between the local gangs and corrupt militia in gorgeous, slo-mo, balletic (and stupendously violent) gunplay. The 'Bullet Time' feature is an amazing showcase of Rockstar's all-new game tech."

"I love you, Gun!
You, too, Other
Gun. Mwah!"

FAR CRY 3 Autumn 2012 *PS3, X360, PC*

"Ever fancied holidaying on a tropical island? Well, good things always have a catch! You play Jason Brody and get thrust into all-out local war, surrounded by clearly unstable and violent individuals, as you try to find your girlfriend and escape unscathed. Kind of like hitting Cardiff on a Friday night. Only the foliage isn't quite as abundant and sumptuous." ▶

THE LAST GUARDIAN TBC PS3

"From the folks who brought you cult classics *Shadow Of The Colossus* and *Ico* – we have another action/adventure/boy-stuck-in-a-large-building story. This time, the main character has a giant griffin-type creature for company, which we hope will be far more useful and/or awesome. It'll be cerebral, cool and the anti-*Call Of Duty*, but not a jot less brilliant for it."

Future S&M was essentially unchanged

METAL GEAR: RISING Autumn 2012 PS3, X360, PC

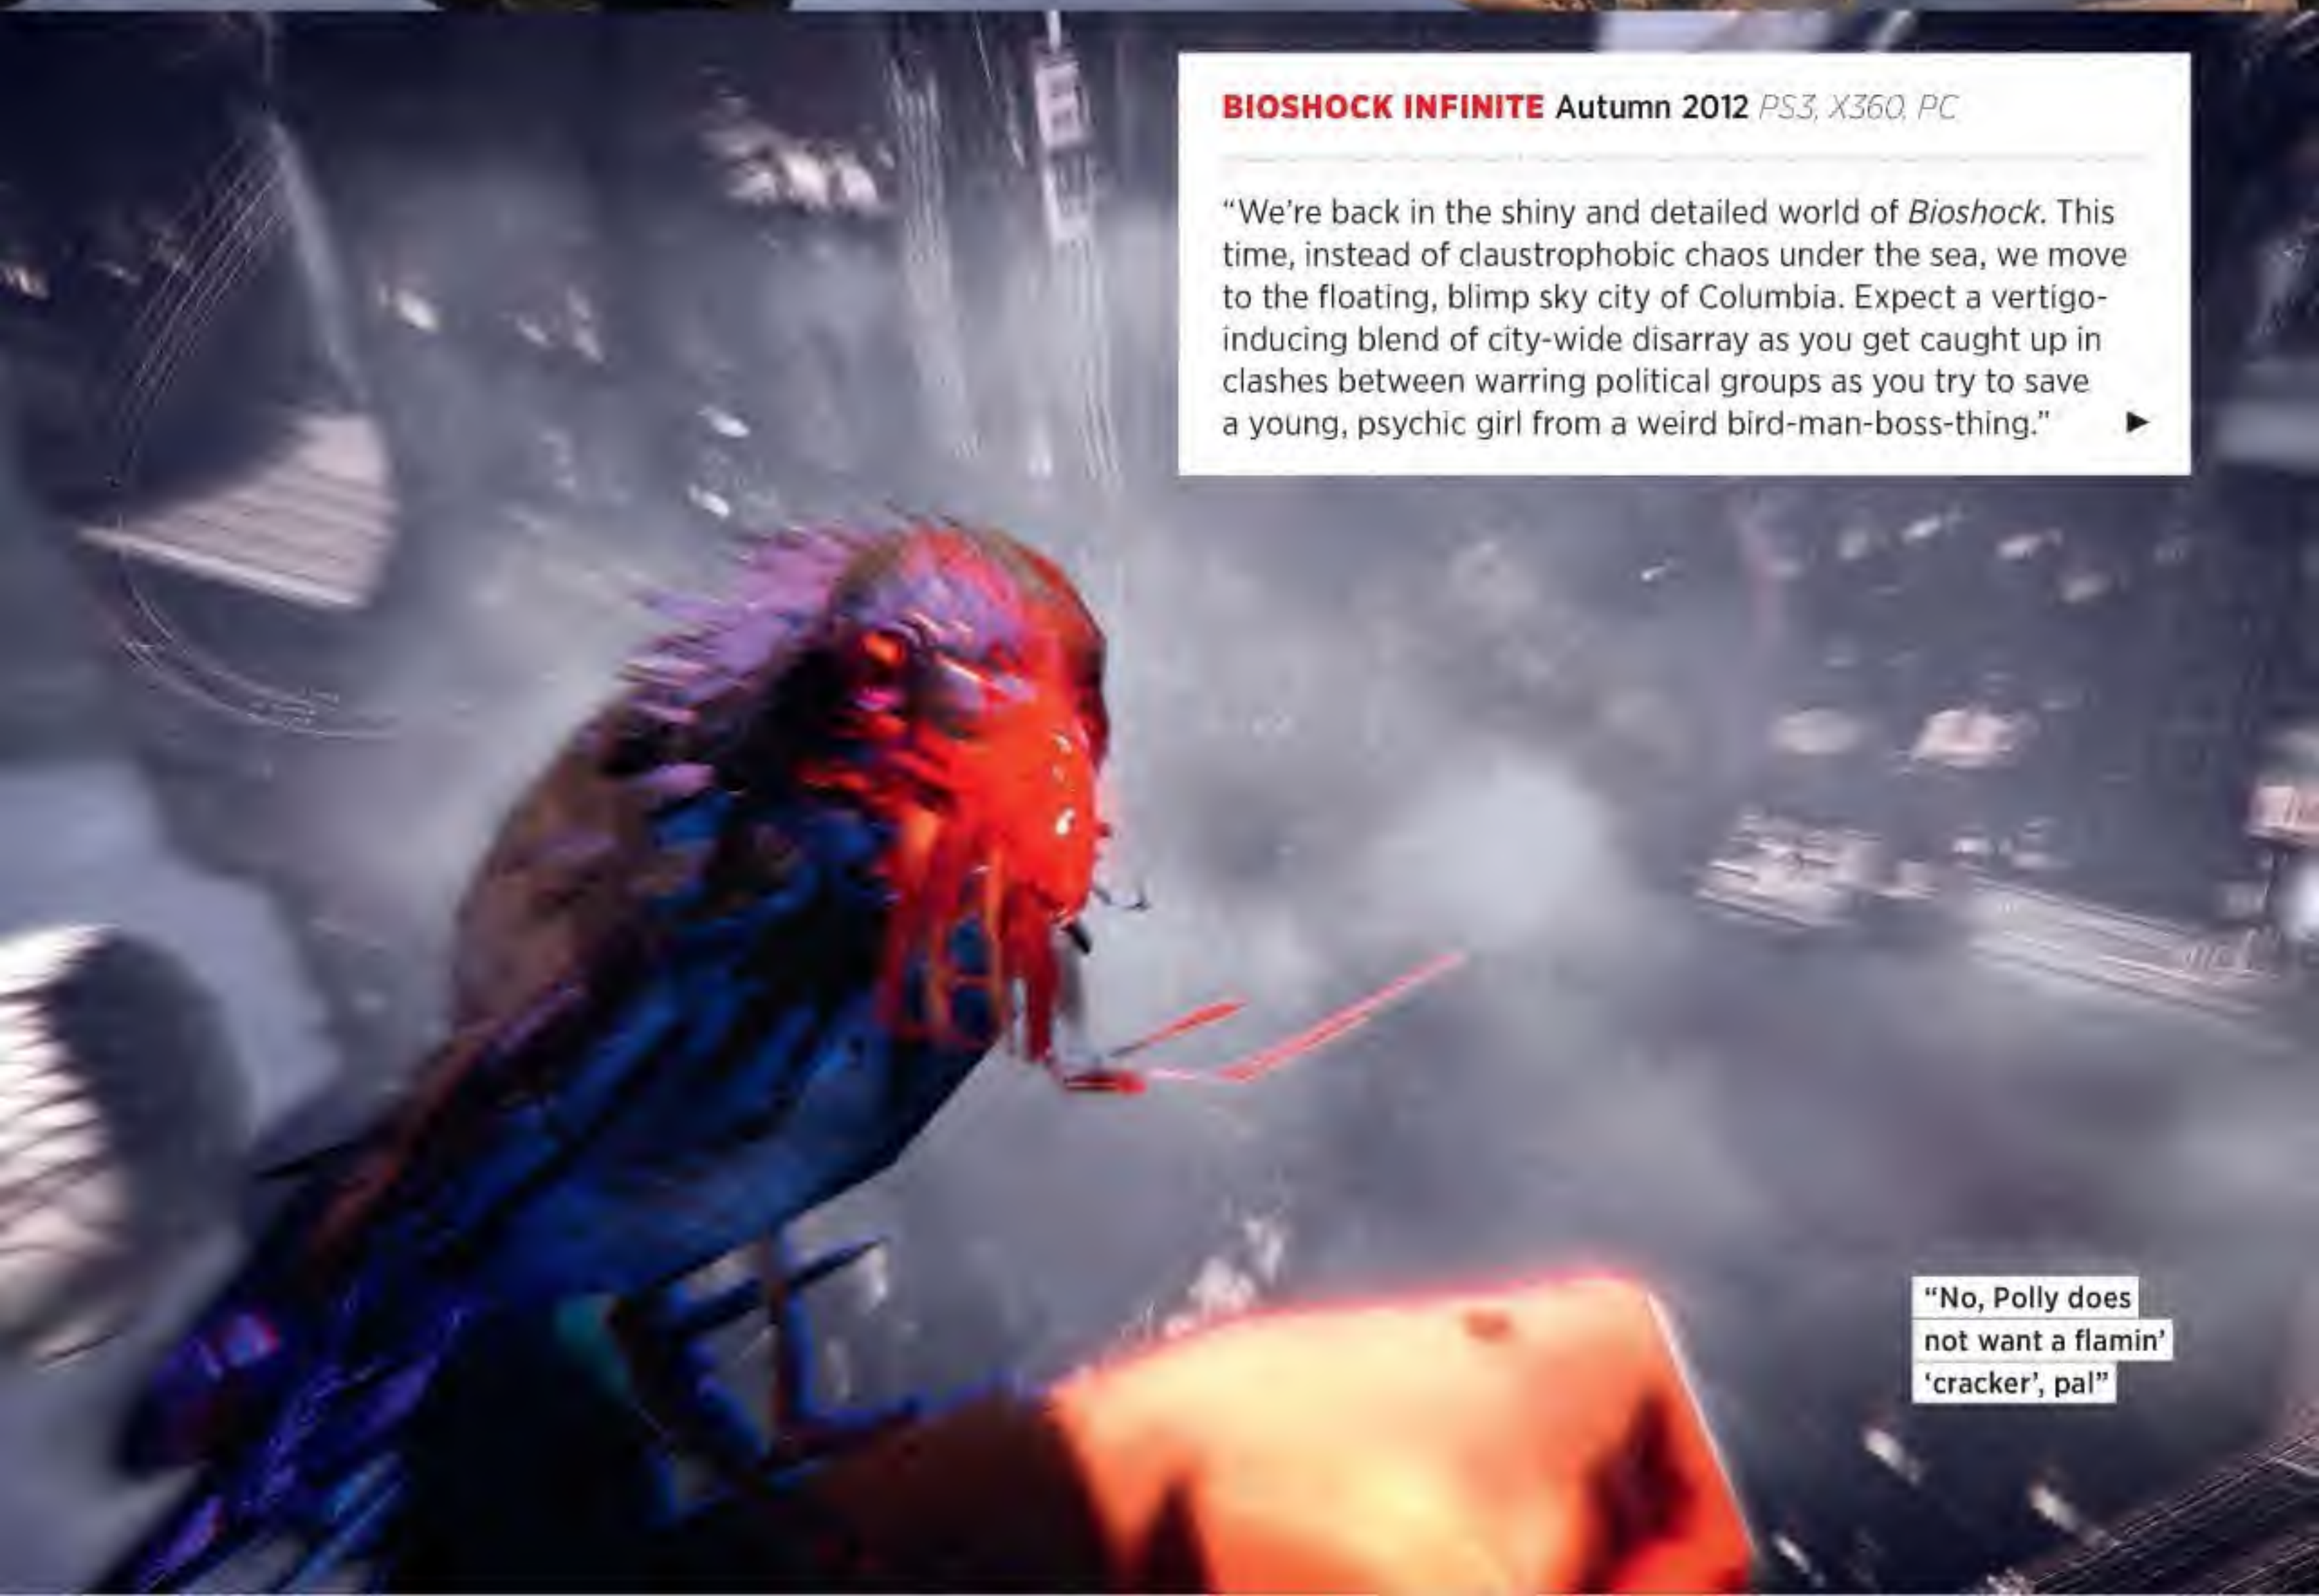

"One of gaming's biggest franchises lunges sideways with the news that developer Kojima Productions has handed the reigns over to *Bayonetta* studio Platinum Games, who've turned it into an action hacker 'n' slasher with focus on main chap Raiden's samurai swordplay. Controversially, it's less sequel, more side project but, we can guarantee this – it'll be interesting!"

MASS EFFECT 3 March 2012 PS3, X360, PC

"The epic space adventure that is the *Mass Effect* series is set to wrap up this time in a life-changingly spectacular way. All you need to know is you get to travel the cosmos meeting weird aliens, saving the universe and possibly having sex with crew-mates (some of them alien, you inter-species shagging weirdo). New this time are co-op missions for four players."

"You know what they say: 'Large mech, small...'"

BIOSHOCK INFINITE Autumn 2012 PS3, X360, PC

"We're back in the shiny and detailed world of *Bioshock*. This time, instead of claustrophobic chaos under the sea, we move to the floating, blimp sky city of Columbia. Expect a vertigo-inducing blend of city-wide disarray as you get caught up in clashes between warring political groups as you try to save a young, psychic girl from a weird bird-man-boss-thing." ▶

ULTIMATE 2012 PREVIEW!

"I could score this with my eyes closed. Just watch!"

ROSS BARKLEY
EVERTON

"Strong, quick and smart on the ball, Barkley's the most exciting product of Everton's academy since Wayne Rooney. David Moyes has only used him sparingly so far, but his involvement will increase as he progresses. He's an England international in the making."

"Bugger! I've turned up in my pyjamas again!"

CONNOR WICKHAM
SUNDERLAND

"It's taken him a while to settle in the big league but Wickham's ability is obvious. He reminds me of Teddy Sheringham because he can drop short and play but is also a goal threat. I've noticed the few flaws in his game ironing themselves out of late, too."

"The yellow brings out the colour in my tattoo, doesn't it?"

ANTHONY PILKINGTON
NORWICH CITY

"Paul Lambert picked Pilkington up from Huddersfield and what a signing he's been. He has fantastic potential – he's quick, got two good feet, strikes the ball superbly and is good in the air. If he keeps up his form, an England call-up could come in 2012."

"Handball? Don't know what you're talking about, ref!"

GRANT HANLEY
BLACKBURN ROVERS

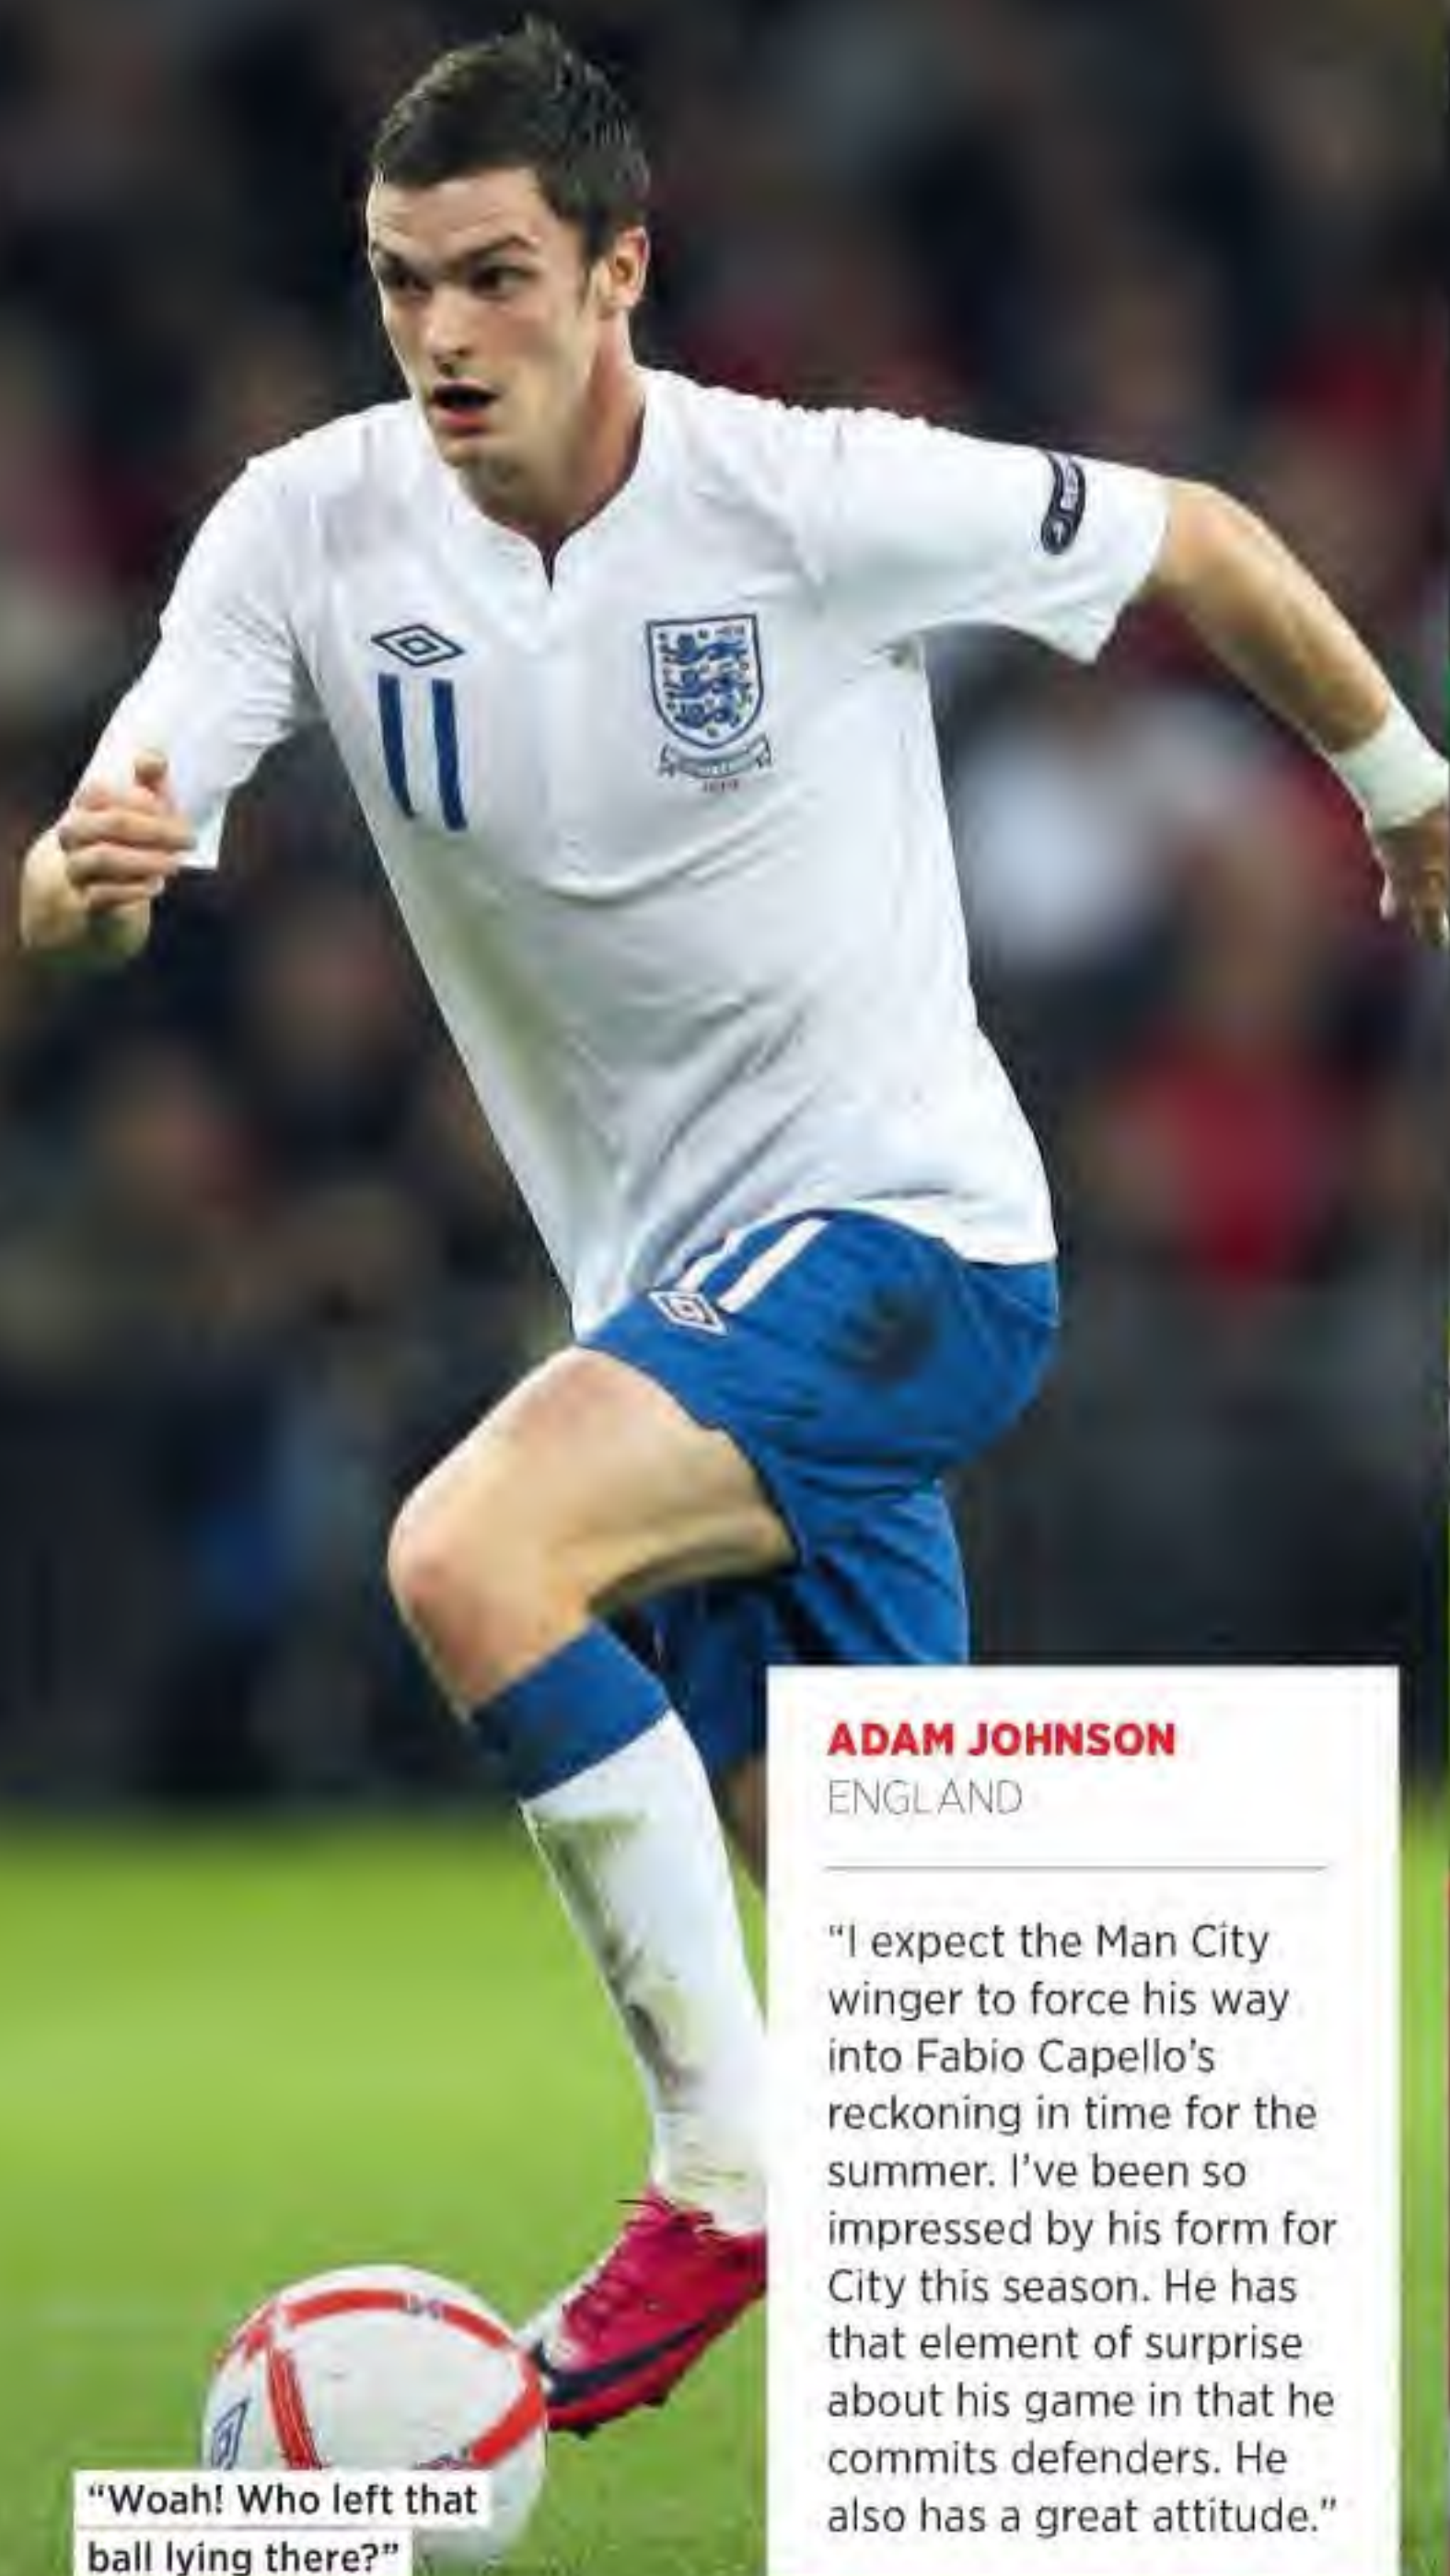

"Steve Kean recently told me that this lad's as good as Phil Jones and having seen glimpses of him, I think that could one day be the case. He reads the game well and he's a strong lad. It also helps his development that he's playing regularly in the Premier League."

FOUR TO WATCH!

ADAM JOHNSON
ENGLAND

"I expect the Man City winger to force his way into Fabio Capello's reckoning in time for the summer. I've been so impressed by his form for City this season. He has that element of surprise about his game in that he commits defenders. He also has a great attitude."

"Woah! Who left that ball lying there?"

"Bet I'm the only number nine on this page..."

KEVIN DOYLE
IRELAND

"Doyle won't be the most talented player at Euro 2012 but you'd be hard-pressed to find a more determined one. His work rate and hold-up play will be huge assets for Ireland, who'll be hoping for a strong showing in their first major tournament in a decade."

"... No, you're not, mate!"

ROBIN VAN PERSIE
HOLLAND

"Van Persie's having an exceptional season and if he carries his form into the Euros, the other nations had better watch out! With Wesley Sneijder supplying the ammo, I can see Van Persie's left foot winning him the golden boot, and possibly the big prize."

"C'mon, give me a hug. I won't cop a feel, promise!"

DAVID SILVA
SPAIN

"Silva's a natural. He's a joy to watch, and so comfortable on the ball that he drifts past players effortlessly. I thought the team was boxed off by the likes of Iniesta and Xavi, but Silva's jet-propelled himself into the starting line-up. He's a world-class player." ▶

JESSICA ENNIS UK

EVENT: HEPTATHLON

"One of the best-ever British heptathletes. Second in the World Championships to a big, tall Russian called Tatyana Chernova, Jess missed out on the Beijing Olympics because she fractured her foot. I've been in that position. Her gremlins will spur her on."

"No matter how hard I flap, I just can't take off!"

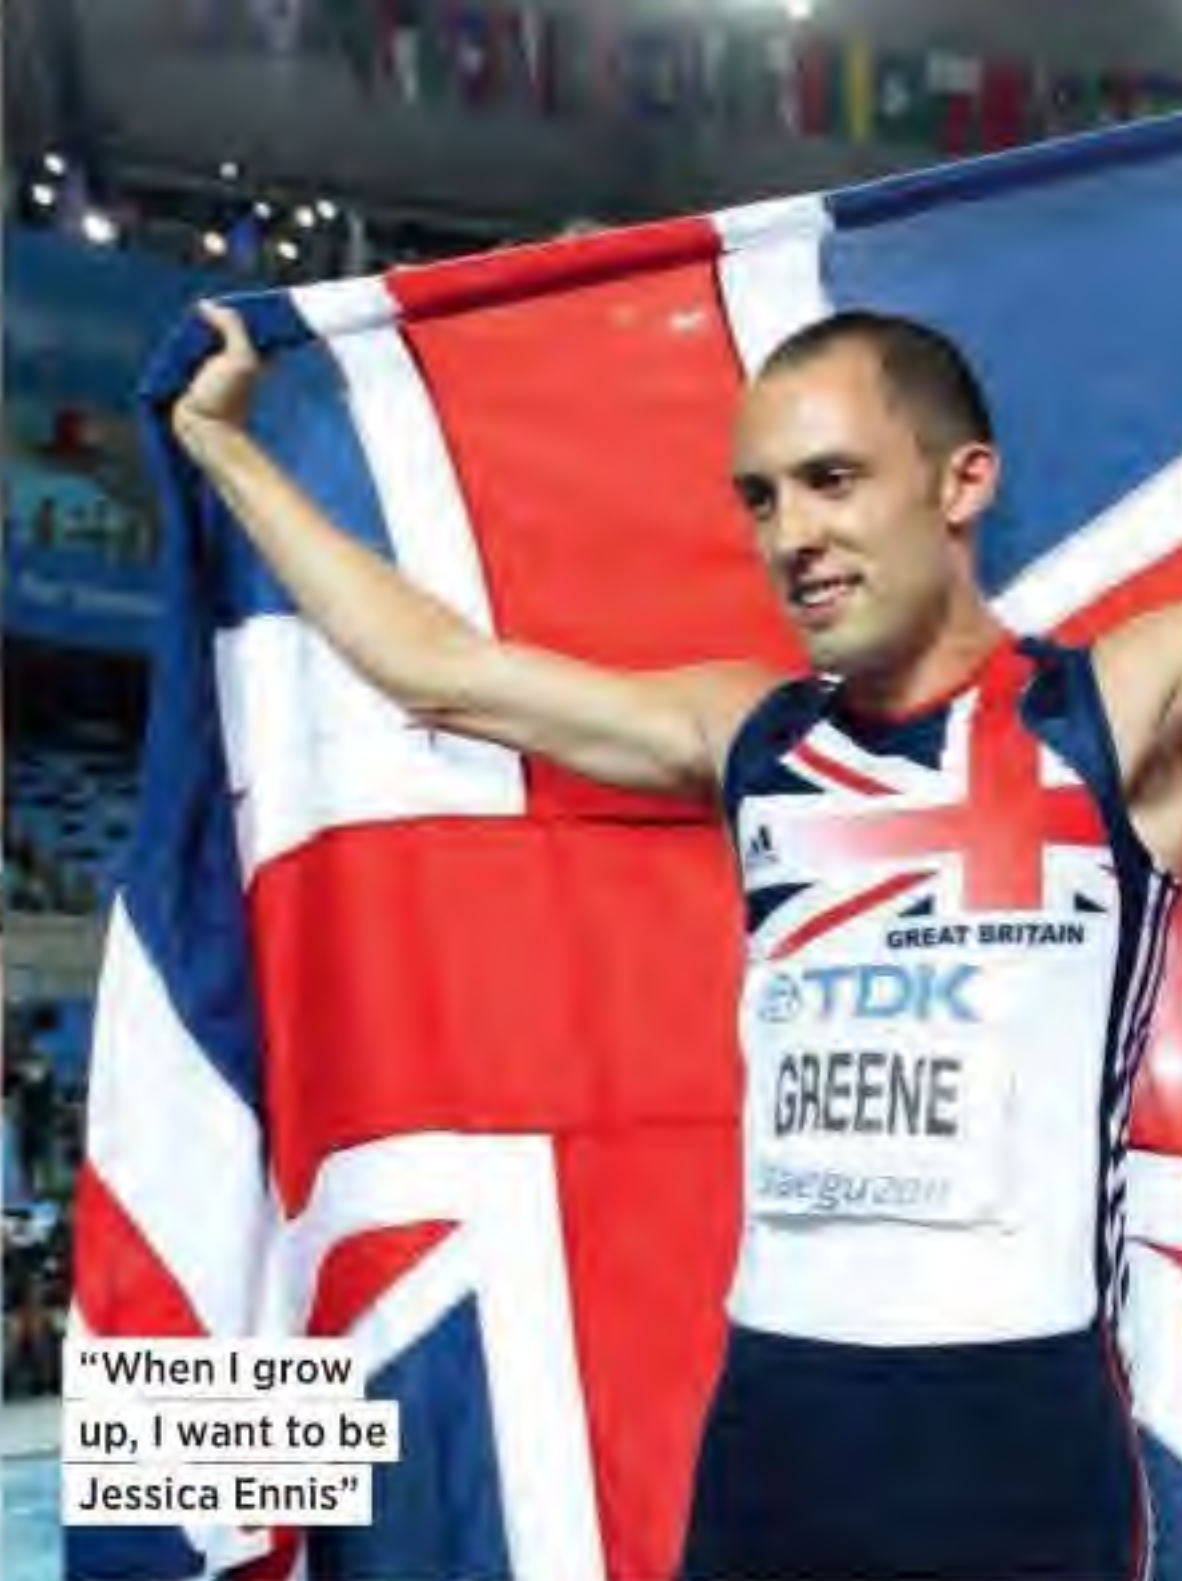

"Come back here with my wig right now, damn you!"

MO FARAH UK

EVENT: 5,000 AND 10,000 METRES

"Mo Farah is the best British middle-to-long-distance runner for years. He won the 5k this year and came second in the 10k. He's expected to win a medal, but if Ethiopia's Kenenisa Bekele, the 10k World Record holder, is fit, it'll be a tough race."

"When I grow up, I want to be Jessica Ennis"

DAI GREENE UK

EVENT: 400 METRE HURDLES

"Greene was faultless this year. His rhythm is brilliant and he never gets flustered. He proved he's world class by taking home the World Championship. Often, there's someone else for Brits to beat in big events. If Greene's in shape, he's the man to beat."

"Yuck! What's that on my shoe?"

CHRIS TOMLINSON UK

EVENT: LONG JUMP

"Chris Tomlinson and Greg Rutherford have upped the British record to a phenomenal 8.35m. Both were injured at this year's World Championships, so you'd get good odds on them. If they bang out 8.35m, though, they could both bag medals."

"I can cross the road in just three steps, you'll see!"

PHILLIPS IDOWU UK

EVENT: TRIPLE JUMP

"Idowu was very disappointed with silver at the Beijing Olympics, then he was second in the World Championships to American Christian Taylor. But Idowu will go into 2012 as one of our most experienced and competitive athletes."

Events to watch...

MEN'S 200 METRES

BACK: JAMAICA/USA

"This could be the best sprint ever. Usain Bolt is World Record holder and Olympic and World Champion, his countryman Yohan Blake's best is 19.28 seconds (the second-fastest time in history), and there are at least two others capable of finishing in under 19.50 seconds."

MEN'S 100 METRES

BACK: JAMAICA

"Can Jamaica take bronze, silver and gold? They've got 100m World Record holder Usain Bolt, 100m World Champion Yohan Blake and, in Asafa Powell, a man who's run under ten seconds more than anyone else alive. It'd be great if they got a one, two three!"

WOMEN'S 100 METRE HURDLES

BACK: AUSTRALIA

"Australia's Sally Pearson set a new World Record at the World Championships. All eyes will be on her. Anything under 13 seconds in the 100m hurdles is good. She's running 12.2 seconds and finishing four metres ahead of everyone else. She's absolutely awesome."

The top Brit band on monkey girlfriends, Cheryl and weeing in the shower!

Copy:

➔ **THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Do you wee in the shower or do you get out to wee?

Marvin: I don't think any man can say they've never weed in the shower. I can't say it. So, yes, I have, but not on a regular basis. The best one is weeing in the sea. It takes a while. You really have to concentrate.

Would you rather have four legs but no arms or four arms but no legs?

Aston: If you've got four legs, does that mean you've got two c*cks? Oritsé, you could have two babies' arms, mate!

Oritsé: Wouldn't you have four c*cks?

Aston: No, 'cos you've got two legs now and one c*ck.

Oritsé: This is a very stupid question.

Could you beat a kangaroo in a fight?

Marvin: No way!

What's your favourite type of cheese?

JB: Marvin doesn't like cheese.

Marvin: It's too cheesy.

JB: Mine is Swiss. I like the holes.

Aston: [To Marvin] You like pizza.

Marvin: Cooked cheese I can tolerate. Halloumi or mozzarella. But not cheese on toast.

Aston: You should try it. Get a little bit of cheddar.

JB: And some Worcester sauce as well.

Who was the last famous person you had a sexy dream about?

Oritsé: Cheryl Cole. She was doing all the things that any girl in my bedroom and in my head would be doing.

When was the last time you had to see a dentist?

Aston: We were on tour in America. I don't care how big a man you are, toothache will break any person. I was past crying. I was punching myself in the face.

Marvin: He was!

Would you rather have the body of a human and the brain of a monkey or a human brain but the body of a monkey?

JB: I'd rather be a super clever monkey than a really thick human.

Marvin: I agree.

JB: I'd like to have opposable thumbs.

Aston: You ain't gonna get chicks if you're a monkey.

Marvin: I'd get monkey chicks, blud!

Have you ever slept with one of your fans?

Oritsé: Yes!

What single thing have you done that your mum would be most ashamed of?

Aston: Lucky my mum doesn't read Nuts! I put clingfilm over the toilet on the tour bus.

Marvin: I had a p*ss in it!

Aston: He was cross.

Marvin: I got splash-back on my feet.

Aston: At least you weren't taking a sh*t!

Who was the first girl you ever kissed and how old were you at the time?

JB: I was at primary school and her name was Tanika.

Aston: Taniqua?

JB: Tanika.

Oritsé: That's ghetto, bruv.

'I took on the Taliban single handed!'

On 27 June 2010, Lance Corporal Levi Webb, 21, found himself standing between the Taliban and his fellow Royal Dragoon Guards injured in a roadside bombing in Afghanistan's Helmand province. He earned a Task Force Commander's Commendation in the gun battle that ensued. It was his first tour of duty.

Hello Levi. Can you describe to *Nuts* readers what the infamous Helmand province is really like?

It's incredibly primitive. Houses are made of straw

and mud, donkeys are everywhere and the terrain is total desert in some areas, but wetlands in others. The heat's the thing that makes it hard for soldiers. It can be well over 32C in the summer.

How did you end up in that massive firefight with the Taliban?

There was a convoy of four Viking all-terrain vehicles and we were near a remote area of Helmand called Nahr-e-Saraj to flush out Taliban from a small village. It was June and the heat was intense. I was driving my vehicle down a dirt track next to a field, when there was an incredible explosion. The vehicle directly in front of us had hit an IED [improvised explosive device]. The commander mounted on top got blown about 20ft in the air and the driver was thrown on the floor, by the door.

Then the Taliban opened fire? Were you scared or did the adrenaline kick in?

Adrenaline. You're well trained in what to do when you come under fire. I was only driving that day because another guy had been injured. It didn't take me long to figure out that there was one Taliban about 30m away, one about 200m away and another 300m away. All firing at us.

What does it feel like to be shot at?

It's a horrible sensation. When my ears had stopped ringing from the explosion, the commander in my vehicle was on the radios and Sergeant Johnson, who was inside the truck with me, crawled out to try to help the guys in the blown-up vehicle, which was a total mess. It was turned on its side and all the tracks had been ripped off. I could only just see the driver's head and I thought he'd been decapitated. Then bullets started whizzing past us, and that's when I knew I had to do something. So, I stepped out of the vehicle and started firing back.

Could you see if any your colleagues were still alive?

I wasn't sure. Luckily, the driver wasn't decapitated and they're both OK now. I couldn't see the Taliban either, but I could tell from the muzzle flash roughly where they were. I think I shot one of them but, in the end, my commander and operator managed to

get the other two. I just thought, "I've seen you, you b*stards!" and I just wanted to get some fire at them as soon as I could.

Is it true that you just stood up, in full view of the Taliban, and started shooting at them, while your colleagues tended to the injured men?

Yes. It's not something that's advised, of course, but it was either that or there was a chance that more of us could be killed. I had no plan at all. It was just total instinct, really. I just felt that I had to do something. I would expect my muckers to do the same for me.

What happened when you started returning fire? Did they back off or did they keep shooting at you?

They did keep firing back, but we managed to get them all, so it didn't take long for us to get into the damaged vehicle and get help to the two lads who'd been injured by the blast.

Weren't you worried you might die?

Very. When I felt those bullets whizzing past me, I really thought, "Well, this is it for me!" It's strange, but when you're in the middle of a firefight, your adrenaline kicks in, despite the fear, so even though my hands were shaking, I re-loaded faster than I'd ever done before or since.

How did it feel when you heard you'd been awarded the Task Force Commander's Commendation for bravery?

I was chuffed to bits, but I feel a bit strange about it, too, as I'm still alive. It's the lads who've died out in Helmand who are the real heroes, I think.

Do your mates give you stick about what happened or are they proud of you?

No, they're proud of me. One of my mates still just can't quite believe I did what I did. He always calls me an absolute madman!

Lance Corporal Levi Webb took on Taliban shooters on his own

Taliban weapons

Within Helmand province Levi Webb had to deal with the aftermath of an IED, but what other weapons are the Taliban using against our soldiers?

AK-47 Many of these assault rifles were made in the old Soviet Union in the '50s. The Taliban tend to hide them in canals, wrapped up in plastic, so captured guns are often very corroded.

DRAGUNOV SNIPER RIFLE A semi-automatic Soviet-built weapon left over from the Russian occupation of Afghanistan in the '80s. It has an effective range of around 800 metres.

IMPROVED ROCKET-ASSISTED MORTAR First used against coalition forces in Iraq in 2003, these IRAMs combine traditional tube mortars with rocket boosters and remote triggers.

TOPLESS 2012!

"Well, **New Year's Eve** is also my birthday, so I usually have a big house party with fireworks. I normally make a New Year's resolution to eat better and be healthier but this year, I want to help more people. So if anyone needs the Frankie's help - get in touch!"

NUTS BABES'

Topless 2012!

Twelve amazing months ahead - as seen through the eyes of our nation's favourite sexiest girls!

A woman with long, wavy brown hair is the central figure. She is wearing a red and black lace lingerie set, consisting of a bra and a thong. She is holding a large, heart-shaped box of chocolates, which is wrapped in red tissue paper. She is looking down at the chocolates with a slight smile. The background is a plain, light color.

February

Holly

"2012 will be my first **Valentine's Day** as a single person, which is a bit sad! But that just means I'll be going out with all my girlies and having fun. And boys, if you're with a girl, make her day extra special! They might say they're not bothered about it, but that's a lie!" ►

Come Dine With Me: Comedians Christmas Special

CHANNEL 4 • 8pm

A festive special of culinary nonsense in which four comedians, including Sean Hughes and Paul Tonkinson, cook meals for each other then slag everyone else off behind their back.

★★★

"Send us £9.99 and
you can have a life-size
cutout Jimmy Carr, too!"

8 Out Of 10 Cats Christmas Special

CHANNEL 4/HD • 9pm

The comedy panel show's full of funny Christmas facts and figures to wow the family on the big day. Jedward will be serving the sole purpose of being an easy target for mockery for Micky Flanagan, Liza Tarbuck and Greg Davies.

★★★★★

"Help! I'm trapped in
a giant snow globe!"

The Jonathan Ross Show

ITV1/HD • 9pm

The Inbetweeners' cast discuss life beyond the hit series, Tom Cruise drops by in the run up to the launch of *Ghost Protocol*, and there are two girls off *Downton Abbey* who, to be honest, we're not overly familiar with as we don't do period dramas.

★★★

ONE WITH THE MISSUS!

TAMARA DREWE

BBC TWO/HD • 10.30pm

It's a comedy chick-flick. Groan. On the plus side, it stars former *Bond* girl and super-honey Gemma Arterton. Awooga!

Christmas Eve

"Don't even try to make us wear matching shirts, pal!"

Star Trek

FILM4/HD • 9pm

You could do a lot worse than whack on Film4 and have this running in the background while you wrap your pressies. It's the story of how Spock and Kirk came about, and it's fan-bloody-tastic. Word on the street is Peter "Robocop" Weller has signed up for the next *Star Trek* as the baddie. We can't wait to get beamed up!

★★★★★

The hat shop man was in for a kicking when they found him

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

And so to the end of yet another season of our favourite crime saga since *The Wire*. This week, Nucky's trial is looming, which could spell the end of his grip on Atlantic City. Brace yourself for a dramatic one, people! We lose a major character, too!

★★★★★

"Do you like my giant shiny balls?"

Celebrity Juice: Christmas Special

ITV2/HD • 10pm

There are seven reasons to watch this: host Keith Lemon, captains Fearne Cotton and Holly Willoughby, guests Amy Childs, Michelle Keegan, The Hoff and Paddy McGuinness, and panellist Rufus Hound. Eh? That's eight? One off for Jedward then. See?

★★★

HAIRSPRAY

CHANNEL 4/HD • 7.15pm

Musical comedy. Wait, it gets worse. John Travolta is in it, which you might think is OK, but he plays a woman! He spends the entire flick dancing in a dress!

Eric Clapton just kept on touring

Bill Bailey: Dandelion Mind

CHANNEL 4 • 10.55pm

The strangely bearded stand-up does a show loosely based around the theme of doubt, which may not sound like the most hilarious subject in the world but, as ever, Bailey makes a damned good job of it. He also performs his version of Iranian hip-hop for good measure.

★★★★★

"Yes, I think my wife will like it"

Borat

E4/HD • 11.05pm

Ease the pressures of Chrimbo, take a load off and prepare to feel very uncomfortable as you make a date with Sacha Baron Cohen as the moustached Kazakh TV reporter. You've probably seen it already, but remember – there's nothing quite like that naked hotel wrestling scene. It makes us laugh every single time.

★★★★★

"When I said I wanted to be jumped by a blonde doll, I meant..."

Jackass 3.5

SKY MOVIES COMEDY/HD • 11.10pm

Jackass 3 has been outdone in this beefier version of the third movie. Steve-O's backside meeting the jaws of a snapping turtle is one of the tamer stunts, and the "enema long jump" is now the stunt of the day. With added cock-ups and outtakes, this is funnier, riskier and more stomach-churning than any other.

Harry Potter And The Deathly Hallows: Part 1

★★★★

Doctor Who

BBC ONE/HD • 7pm

The Time Lord crash lands on Earth during the Second World War, and wisely decides to get the hell out of there by treating two evacuees to a Christmas they'll never forget in a magical land dominated by an enchanted forest. The upside of a time-travelling phone box, eh? And an impressive festive budget.

★★★

ARMAGEDDON

BBC THREE • 8pm

Bruce Willis and co are in space and they land on the waterless asteroid that's "200 degrees in the sunlight, minus 200 in the shade." So, why the hell are they walking on grass instead of ice and rock? It's clearly just a hill!

"Off you go, Jedward. It's way past your bedtime"

Alan Carr: Chatty Man Christmas Special

So This Is Christmas

CHANNEL 4/HD • 11.05pm

★★★

RATATOUILLE

BBC ONE/HD • 4.50pm

Boxing Day

Terra Nova

SKY 1/HD • 8pm

These final two episodes of the dino-drama are awesome – it's the 11th pilgrimage and someone comes through the portal with a bomb. Jim's knocked out by the blast and when he comes to, days later, there's a new boss in town, having taken over the compound. If only all the episodes were as good as this one!

★★★★

Chris Moyles' Christmas Quiz Night

CHANNEL 4/HD • 10pm

A mixed bag of Crimbo guests for Chris. James Corden's one we like, so is cheeky-chappie *X Factor* bloke Olly Murs. So, it's a pity *Pineapple Studios* irritant Louie Spence turns up.

★★★

Dara O'Briain: This Is The Show

BBC TWO/HD • 10.30pm

The Irish comedian leaves his seat on *Mock The Week* to go it alone, and his solo material is better than ever. Taken from his last night at the Hammersmith Apollo, the mix of audience interaction and hilarious satirical comedy makes for a great show.

★★★

"A true gentleman never goes out without a floppy fringe"

Felix And Murdo

CHANNEL 4/HD • 10.35pm

Ben Miller and Alexander Armstrong team up in time for the Olympics to recreate the first time the games came to Blighty in 1908 in this one-off, hilarious sitcom. Superman Returns

BBC ONE • 3.35pm

Much like the original franchise, this version moves at a steady pace, with Brandon Routh taking on the role of the pants-outside-trousers superhero and Kevin Spacey brilliant as the dastardly Lex Luthor. A wee bit slow, but there's quality CGI.

I Love You, Man

BBC ONE/HD • 10.50pm

It's rare to come across a romantic comedy that blokes like. Until, that is, he runs across friendly, haphazard slacker Jason Segel...

'He followed me outside'

LAST NEW Year's Eve, I went to a "school disco" night with some friends. I was flirting with my best friend's brother all night and when I went outside, he followed. Before long, he had me up against a wall, passionately kissing, his hands going straight up my shirt. He got down on his knees and as I was wearing knee-high socks, everything was easy to reach. I soon had my leg against the wall as he pushed his warm tongue deep inside me. I grabbed his head and arched my back as I came, gasping into the new year!

Georgie Brighton

'I was a sexy stranger'

I MET my boyfriend just before Christmas last year in a bar, so this year we went back to the same place and stayed at the hotel above it. I surprised

him by turning up dressed as a sexy stranger, the full works: stockings, red knickers and bra, satin dress and a long, dark wig to really throw him off the scent. I was sitting at the bar when he walked in and could see him looking for me. It was only when I ordered a drink that he twigged it was

me and gave me a wry smile. We had a few drinks before I offered him a nightcap in my room. Once up there, I pushed him on the bed and pulled off my dress. His eyes grew wide at my sexy undies and he slowly peeled off my stockings, running his hands up my legs. I tied one around his eyes and gave him a slow, saucy blow job. He loved every second and when I climbed on top of him, it didn't take him long to come. We had the best night ever and plan to do the same in 2012!

Janine Leeds

'We pulled into a dark lay-by'

LAST YEAR, we visited my boyfriend's family for New Year. It was a beautiful and remote place, but after two days we were gagging to get home and be naughty. We'd only got a mile down the road, when he pulled into a dark lay-by and cut the engine. He pulled me and kissed me passionately, slipping a hand inside my jeans and sneaking a finger inside me. I gasped in delight and wriggled out of my jeans, putting one leg on the dashboard and one over his shoulder. His tongue felt amazing and I was so horny. Suddenly, we could see car lights behind us. It turned out to be my boyfriend's auntie, wondering if we were OK. I've never got dressed so fast!

Chloe Suffolk

'We had sex in a hot tub'

MY FELLA took me to a hotel for New Year. Our room even had a jacuzzi out on a balcony area. Half an hour before midnight we stripped off and jumped in with a bottle of champagne. I felt my man's hand slide up my thigh and a cheeky grin spread over his face. I reached over and squeezed his erection. I was soon playing with him with both hands, swishing the water everywhere. He grabbed some bubbly and poured it over my wet boobs, then licked it off and sucked on my nipples. We had sex at the side of the tub in the freezing air in all sorts of positions. As someone in the hotel grounds set off fireworks, we carried on regardless. A great end to a great year!

10 RUDE QUESTIONS!

And a real girl to answer them!

CARLA

20 Southend

1 Where's the strangest place you've had sex?

"It has to be when I was on a plane, going on holiday. It was pretty difficult, but somehow we nailed it!"

2 What's your trademark naughty move in the bedroom?

"Firstly, I love to slip into my favourite underwear, then prance around in my highest heels and tease him until he can't take it any more. Then I take control!"

3 What really turns you on in bed?

"Kissing! A guy who really knows the right spots to make me tingle is so hot!"

4 What's your favourite position?

"The lusty leg lift, where you do it standing with one leg over his shoulder, definitely hits the spot. It's the best! I'd recommend everyone try it. Sometimes it's best to let a guy be in control, especially when you're in this position!"

5 Is it better to give or to receive?

"I prefer giving while receiving – that way it pleases you both and it's extremely sexy!"

6 What one thing would you really like to try but haven't yet?

"I haven't brought food into the bedroom yet – crazy, I know! It's definitely on my weekend 'to do' list. Squirty cream, chocolate sauce – it's all coming out to play!"

7 Have you ever got it on with another girl?

"I can honestly say that I've got it on with more girls than guys. What's a night out without snogging your best girlfriends?"

8 What's your favourite role-playing costume of choice?

"It's got to be my nurse's outfit! I'm a huge tease and love to get stuck into the whole role-play thing. It becomes so real!"

9 Have you ever made a sex tape?

"Now that would be telling!"

10 What's the rudest thing you've done?

"Me and a boyfriend went for a meal at a local restaurant. I don't know what came over us, but we were both in a really sexy mood, so we took turns to do stuff under the table, before being asked to leave!"

"I've got it on with more girls than guys!"

Merse's transfer window targets!

Paul on the clubs that need to buy!

→ THE JANUARY transfer window's fast approaching and Premier League clubs are preparing to splash the cash. To find out which squads are in need of new signings, we spoke to *Nuts* legend Paul Merson!

"Ooh, someone's got a camera!"

ARSENAL

"There have been rumours about **Lukas Podolski** coming to the Emirates. He's a top striker and would be a great signing. As a bonus, having fellow German team-mate Per Mertesacker around would help him bed in."

"Those stars really are sooo pretty!"

WORLD-CLASS MIDFIELDER!

MERSE ON THE MOVE!

Paul's moves to league sides Middlesbrough and Aston Villa commanded fees totalling almost £12m.

MAN UNITED

"Fergie needs to break the bank and sign a world-class midfielder. Man United are so short in the centre that something needs to happen. He has to go for **Wesley Sneijder**, a player who can score and create goals."

"What the hell?
I'm going to try
a scissor kick!"

"Blimey, these
shorts are bit tight
for sprinting!"

NEWCASTLE

"The Toon really need some cover for Steven Taylor, who's out for the season. I think they should go for Chelsea's **Alex** on loan. The Brazilian wants first-team football and could slot in alongside Fabricio Coloccini."

SUNDERLAND

"Martin O'Neill loves to play a big man up front. He should go for someone like West Ham's Carlton Cole, who can hold the ball up. I also wouldn't be surprised if he went for **Emile Heskey**. He knows he can do a job."

"Mmm, there's
a bit of cupcake
from earlier here!"

Ball loved Cahill's
monkey impression

BOLTON

"Wanderers are leaking goals and could lose Gary Cahill in January. Owen Coyle should try to score his way out of trouble. They should sign **Bobby Zamora** and Andy Johnson, a ready-made goal-scoring duo."

CHELSEA

"Chelsea could soon be struggling for defensive cover. Alex is on his way out and David Luiz is too inexperienced. Villas-Boas should go for Bolton's **Gary Cahill**, who's played alongside John Terry for England."

★ TEAM OF THE YEAR ★

BARCELONA

"As La Liga and Champions League winners, I have to go for Pep Guardiola's men. They're the best club side I've ever seen and have revolutionised the game. They even played with nine midfielders in one game. Incredible!"

"Everyone back to mine later?"

"B*gger off everyone else. I can win this on my own!"

★ PLAYER OF THE YEAR ★

ROBIN VAN PERSIE

"It'd be easy to go for Barca's Lionel Messi but for me, Robin van Persie has been absolutely outstanding. His goal ratio in a less-than-vintage Arsenal side is phenomenal. He'd get into any team in the world. What a player!"

"Argh! Help! My foot's gone purple!"

★ GOAL OF THE YEAR ★

DEJAN STANKOVIC

"Dejan Stankovic's volley from the halfway line against Schalke in the Champions League was a mega goal! It sent Twitter crazy. And it took him only 21 seconds to score it. You'll struggle to find a better strike!"

"Aw, who's a cute little fella then?"

★ **GAME OF THE YEAR** ★

NEWCASTLE 4-4 ARSENAL

"What an amazing turnaround! It reminded me of the Champions League final between AC Milan and Liverpool in 2005. At 4-0, it was game over, but Newcastle did the impossible. Another five minutes and they'd have won!"

"The used chewing gum ball in my office is this big!"

★ **MANAGER OF THE YEAR** ★

ALEX FERGUSON

"Man United won their record 19th league title in 2011, and it's all down to one man. Fergie's hunger for glory is unbelievable. Going out of the Champions League so early this season was a blow, but they'll bounce back!"

"Don't shoot, Rio. I take it all back!"

★ **MUPPET OF THE YEAR** ★

SEPP BLATTER

"Can anyone tell me why this 100 per cent muppet is still in a job? It's been another stinker of a year for the Fifa chief. His comments on racism were outrageous and spoken like a man who simply has no idea what he's talking about!"

"What do you mean I look like a big girl?"

★ **MOST UNBELIEVABLE HAIRCUT** ★

GERVINHO

"The Arsenal striker's barnet truly is a sight to behold! I'm not really sure what the Ivorian is thinking with this hairstyle, but at least it gives us all something to chuckle at on a Saturday afternoon. Maybe I should give it a try!"

"Then can you help me get my shorts on too?"

★ **FUNNIEST MOMENT** ★

BALOTELLI'S BIB

"This incident had everyone in stitches! A temperamental millionaire footballer unable to dress himself. I do love the guy, though – he's fantastic for the game and has been Man City's shining light this season. Merry Christmas, Mario!"

"Look at my incredible floating ball. Look at it!"

★ **WORST KIT** ★

EVERTON GOALKEEPER SHIRT

"I thought the idea of goalkeeper kits was for them to be shocking and bright so they might put off the opposing striker. What's the point of sticking Tim Howard in army-style camouflage? It just looks awful!"

A large action shot of Nathan Cleverly in a boxing ring, wearing black and red gloves, with a focused expression.

"If this doesn't get your loose tooth out, nothing will!"

NATHAN CLEVERLY

"I've been watching him train and he's in excellent shape. He spars with George Groves and you can see he's world class. Clev can fight 15-20 rounds at the same pace and doesn't seem to tire! I'd love to see him get a mega-fight against someone like Bernard Hopkins."

Haye's top Brit boxers 2012!

The ex-heavyweight champ tells *Nuts* who'll be the best of British in the ring next year!

2012 LOOKS set to be a golden year for British boxing. To give you the lowdown on which fighters you need to keep an eye on over the coming months, we enlisted British former world heavyweight champion David Haye!

DAVID THE GOLIATH!

Of David's 27 professional bouts, he's won 25 (with 23 knockouts).

A full-page image of Chris Eubank Jr in a boxing ring, looking towards the camera with a serious expression.

"This is the happiest day of my life"

CHRIS EUBANK JR

"I really like this guy. I've watched him train behind closed doors for a year now. He's really tough and resilient, just like his old man. He's also got a lot of skills and a brilliant technique. He's like a carbon copy of his dad. 2012 can only be a positive year for him."

A full-page image of Kell Brook in a boxing ring, wearing red gloves, with a surprised or intense expression.

"Gah! I've got it stuck to my ear. Again!"

KELL BROOK

"Special K's one of the most underrated British fighters and 2012 will be his time. He's good enough to challenge for world titles. All he's got to do is get the right fights and he'll win 'em. I'm not sure he'll fight Amir Khan, though, as their careers are going in different directions."

"Stand back, I'm about to sneeze!"

CARL FROCH

"Froch's one of the best boxers in the world. He's fought a tougher list of opponents than any British fighter in the last ten years. Jermain Taylor, Andre Dirrell, Mikkel Kessler, Arthur Abraham, Glen Johnson and Andre Ward in a row! It'll take someone special to beat him in 2012."

"Anyone seen my other glove?"

JAMES DEGALE

"The Euro champ needs to stay away from his bogey man, George Groves. He lost to him as an amateur and now as a pro, so he needs to avoid that fight if he wants to win a world title. If he keeps fighting the way he has been, 2012 will be a brilliant year for DeGale."

He just couldn't get his upper lip to touch his nose

AMIR KHAN

"If Amir won a rematch with Lamont Peterson, he could fight Floyd Mayweather next year. If I were a betting man, I'd back Amir to beat Mayweather on points. I might be a laughing stock for saying that, but you'd get great odds. If anyone's fast enough to beat Mayweather, it's Amir Khan!"

"Can I have a plaster off you after this, mate?"

GEORGE GROVES

"Groves can win a world title, without a doubt. Will it be in 2012? I'm not sure it'll be that soon - he's only had 14 fights. He just needs to keep winning and he'll be up there. He's still young, so as long as he isn't rushed and is allowed to develop slowly, he can go right to the top."
